As a continuum the Policy Inform papers include any relevant policy developments that have emerged over the past 3 months.

2.0 BACKGROUND AND KEY ISSUES

2.1 The policy briefing papers are intended to provide Members with the latest position on emerging policy and legislative developments to support the committees work programme and future scrutiny work.

2.2 During the course of the 2015-16 municipal years, the Council's Policy and Strategy team will prepare four policy briefing papers which will be reported to the Policy and Performance Committees for consideration. The following table outlines the timetable for the preparation and reporting of policy briefing papers:

Policy & Performance Committee Briefings	
July 2015	The first policy briefing will focus predominately on the Queen's Speech, which will establish the Government's legislative programme for the parliamentary year ahead.
September 2015	The second policy briefing will be produced in September and will focus on the Chancellor's July 2015 Budget Statement. The policy briefing will provide an update on policy and legislation and will consider relevant implications for Wirral.

January 2016	The third policy briefing will focus on the local government finance settlement which informs the annual determination of funding to local government. The policy briefing will provide an update on policy and legislation and will consider relevant implications for Wirral.
March 2016	The fourth policy briefing will focus upon the 2016 Chancellor of Exchequers Budget. The policy briefing will provide an update on policy and legislation and will consider relevant implications for Wirral.

2.3 The January Policy Inform briefing outlines the key features of the Autumn Statement and the Spending Review, which was announced on 25th November 2015. The Policy Inform briefing also alludes to any potential implications for Wirral Council, and elaborates on any legislation or policy updates that have been implemented, or developed since the last policy briefing in September. It is expected that the March Briefing Paper will focus on the Chancellor of Exchequer's Budget, which will be published on 16th March 2016. Due to Policy and Performance Committee's taking place at the beginning of March it will not be possible to take the next Policy Inform papers to Committee's, however these papers will be circulated to Members for their reference.

2.4 The Committee may wish to identify specific policy areas to focus upon which are in line with the Committee's work programme. Detailed briefing papers can be prepared for these subject matters at the request of the Committee which would be in addition to the regular policy briefing papers outlined above.
