

! Metropolitan Borough of Wirral

CALL-IN

Decision of Cabinet to be called in:

Date of meeting:	Monday 27 th June 2016
Minute number:	Cabinet Minute 19
Subject:	Domestic Refuse Collection Outline Business Case

Reason(s) for call-in:

Whilst agreeing with the premise of increasing recycling rates in Wirral the signatories to this call-in are concerned that the limited two options being offered to the public for consultation equate to a reduction in the domestic refuse collection service to the Council Taxpayers of Wirral.

Wirral Council has previously piloted the separate collection of food waste and it was not deemed to be a viable option. In order to ensure we maximise the opportunities for food waste recycling we must enhance the current service and be truly consultative with our residents giving them the opportunity to shape the service that they pay for.

Any consultation should give the public the opportunity to share their views and ideas with the Council as to how a 50% or more recycling rate can be achieved and, at the very least, we should be giving our residents the option of maintaining the current waste collection arrangements and listening to their reasons for this.

Called in by:

Councillors:

Lesley Rennie

Tom Anderson
