TREATING ALL RESIDENTS FAIRLY AND EQUITABLY

Proposed by Councillor Blakeley

Seconded by Councillor Steve Williams

Council notes the overwhelming opposition by local residents to the proposal by Merseyside Fire and Rescue Service to build a fire station on green belt land in Saughall Massie. To date, 2,561 people have signed a petition, 542 people have objected online and a further 524 letters and emails have been received by the Planning Department. Council's also thanks the Saughall Massie Village Area Conservation Society and the Wirral Society for their opposition views.

Council further notes that when a proposal for a fire station in Greasby was proposed, the Leader of the Council instructed Council Officers to withdraw the land from consideration, saying 'Having listened to the views of local residents in Greasby and representations made by Labour's Parliamentary candidate in Wirral West, Margaret Greenwood, I believe the council-owned land in the centre of Greasby would be inappropriate for a fire station and would remove a much-loved local green space.'

Council believes that all residents and communities of the Borough should be treated fairly and equitably and therefore, recognising the massive opposition and the value of this much-loved green belt land, requests Officers to withdraw this piece of land with immediate effect and further requests that officers continue to work with the fire service to find an acceptable alternative.
