

## APPENDIX 1

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WIRRAL COUNCIL

(as contained in the Statement of Accounts 2015/16)

We have audited the financial statements of Wirral Metropolitan Borough Council (the "Authority") for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014 (the "Act"). The financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement, the Collection Fund and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Act and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Respective responsibilities of the Head of Financial Services and auditor**

As explained more fully in the Statement of Responsibilities for the Statement of Accounts, the Head of Financial Services is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, which give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Authority's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Head of Financial Services; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Narrative Report and the Annual Governance Statement to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the

knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies, we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- present a true and fair view of the financial position of the Authority as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16 and applicable law.

### **Opinion on other matters**

In our opinion, the other information published together with the audited financial statements in the Narrative Report and the Annual Governance Statement is consistent with the audited financial statements.

### **Matters on which we are required to report by exception**

We are required to report to you if:

- in our opinion the Annual Governance Statement does not comply with the guidance included in 'Delivering Good Governance in Local Government: a Framework' published by CIPFA/SOLACE in June 2007; or
- we issue a report in the public interest under section 24 of the Act; or
- we make a written recommendation to the Authority under section 24 of the Act; or
- we exercise any other special powers of the auditor under the Act.

We have nothing to report in these respects.

### **Conclusion on the Authority's arrangements to secure value for money through economic, efficient and effective use of its resources**

#### **Respective responsibilities of the Authority and auditor**

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

We are required under Section 20(1)(c) of the Act to be satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

## **Scope of the review of the Authority's arrangements to secure value for money through economic, efficient and effective use of its resources**

We have undertaken our review in accordance with the Code of Audit Practice prepared by the Comptroller and Auditor General as required by the Act (the "Code"), having regard to the guidance on the specified criteria issued by the Comptroller and Auditor General in November 2015, as to whether the Authority had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined these criteria as those necessary for us to consider under the Code in satisfying ourselves whether the Authority put in place proper arrangements to secure value for money through the economic, efficient and effective use of its resources for the year ended 31 March 2016.

We planned our work in accordance with the Code. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether in all significant respects the Authority has put in place proper arrangements to secure value for money through economic, efficient and effective use of its resources.

### **Basis for qualified conclusion**

In considering the Authority's arrangements for securing efficiency, economy and effectiveness we identified the following matter:

In September 2016, Ofsted issued its report on the inspection of the Authority's services for children in need of help and protection, children looked after and care leavers. The overall judgement was that children's services were rated as inadequate. The inspection found widespread and serious failures in the services provided to children who need help and protection.

This matter is evidence of weaknesses in proper arrangements for understanding and using appropriate and reliable financial and performance information to support informed decision making and performance management, and for planning, organising and developing the workforce effectively to deliver strategic priorities.

### **Qualified conclusion**

On the basis of our work, having regard to the guidance on the specified criteria issued by the Comptroller and Auditor General in November 2015, except for the effects of the matter described in the Basis for qualified conclusion paragraph, we are satisfied that, in all significant respects, the Authority put in place proper arrangements to secure value for money through economic, efficient and effective use of its resources for the year ended 31 March 2016.

## **Delay in certification of completion of the audit**

We cannot formally conclude the audit and issue an audit certificate for the Authority for the year ended 31 March 2016 in accordance with the requirements of the Act and the Code until we have:

- completed our consideration of an objection brought to our attention by a local authority elector under Section 27 of the Act; and
- completed the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the Authority for the year ended 31 March 2016.

We are satisfied that this work does not have a material effect on the financial statements or on our conclusion on the Authority's arrangements for securing value for money through economic, efficient and effective use of its resources.

## **Pension Fund**

### **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WIRRAL METROPOLITAN BOROUGH COUNCIL**

(as contained in the Statement of Accounts 2015/16)

We have audited the pension fund financial statements of Wirral Metropolitan Borough Council (the "Authority") for the year ended 31 March 2016 under the Local Audit and Accountability Act 2014 (the "Act"). The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the members of the Authority, as a body, in accordance with Part 5 of the Act and as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Authority and the Authority's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Respective responsibilities of the Head of Financial Services and auditor**

As explained more fully in the Statement of the Head of Financial Services' Responsibilities, the Head of Financial Services is responsible for the preparation of the Authority's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, which give a true and fair view. Our responsibility is to audit and express an opinion on the pension fund financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### **Scope of the audit of the pension fund financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the pension fund's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Head of Financial Services; and the overall presentation of the pension fund financial statements. In addition, we read all the financial and non-financial information in the Authority's Statement of Accounts to identify material inconsistencies with the audited pension fund financial statements and to identify any information that is apparently materially incorrect based on, or materially

inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on the pension fund financial statements**

In our opinion the pension fund financial statements:

- present a true and fair view of the financial transactions of the pension fund during the year ended 31 March 2016 and of the amount and disposition at that date of the fund's assets and liabilities, other than liabilities to pay pensions and benefits after the end of the fund year; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16 and applicable law.

### **Opinion on other matters**

In our opinion, the other information published together with the audited pension fund financial statements in the Authority's Statement of Accounts is consistent with the audited pension fund financial statements.
