

WIRRAL COUNCIL

PAY POLICY STATEMENT

2017 – 2018

DRAFT

1. Introduction and Purpose

- 1.1. The Localism Act 2011 (sections 38-43) requires local authorities in England and Wales to publish a pay policy statement for each financial year.
- 1.2. The purpose of the statement is to provide transparency with regard to the Council's approach to setting the pay of its employees (excluding schools based staff) by identifying:
 - The methods by which salaries of all employees are determined;
 - The detail and level of remuneration of its most senior staff i.e. 'Chief Officers', as defined by the relevant legislation;
 - The Chief Executive and Head of Paid Service responsibility for ensuring the provisions set out in this statement are applied consistently throughout the Council and recommending any amendments to Full Council.
- 1.3. The Council will consult with the relevant Trade Unions in relation to changes and updates to the Pay Policy, before the Policy is considered by Full Council.
- 1.4. Once approved by Full Council, this policy statement will come into immediate effect and will be subject to review on a minimum of an annual basis; the policy being approved by 31 March each year.
- 1.5. The Council may, by resolution, amend this Pay Policy, including after the beginning of the financial year to which it relates.

2. The Scope of this Policy

- 2.1. This Pay Policy Statement relates to staff employed by Wirral Council whose remuneration including rate of pay and terms and conditions are determined by and within the control of the Council.

3. Other Legislation Relevant to Pay and Remuneration

- 3.1. In determining the pay and remuneration of all of its employees, the Council will comply with all relevant employment legislation.
- 3.2. It is Council policy to ensure that there is no pay discrimination within its pay structures and that all pay differentials can be objectively justified through the use of job evaluation mechanisms, which directly establish the relative levels of posts in grades according to the requirements, demands and responsibilities of the role.
- 3.3. Under the Public Sector Equality Duty 2011, the Council is required to publish and analyse equal pay across protected groups and disaggregate the information to address under-representation across the workforce.
- 3.4. The Council will ensure that it meets the requirements of the Local Government Transparency Code 2014. The Transparency Code requires that all local authorities publish certain information related to the organisation, salaries and fraud including:

- Organisation chart
- Senior salaries
- The pay multiple
- Trade union facility time
- Fraud
- Constitution

3.5. The Council will ensure that it meets the requirements of the Gender Pay gap reporting regulations, April 2017 (subject to approval of Parliament).

4. Pay Structure

- 4.1. The Council uses a local variation of the nationally negotiated pay spines (i.e. a defined list of salary points) as the basis for its pay structure, which determines the salaries of the large majority of its (non schools) workforce.
- 4.2. The Council's National Joint Council for Local Government Services (NJC) pay spine is varied at Band A, B and C through the introduction of the Living Wage (see Living Wage).
- 4.3. The grading structure for Bands A to H (up to spinal column point (scp 34) was implemented as part of the Council's Job Evaluation process in August 2008, using the National Joint Council for Local Government Services (NJC) Job Evaluation Scheme.
- 4.4. The Council also employs staff on other pay and terms and conditions including Craft, Youth and Community, Soulbury, Teachers, Public Health and other locally agreed pay rates.
- 4.5. Public Health staff are currently on the same pay and terms and conditions as at the time of the Transfer of Undertakings (Protection of Employees: TUPE) transfer (1 April 2013). Public Health staff are TUPE static.
- 4.6. The Council adopts the national pay bargaining arrangements in respect of the establishment and revision of the national pay spine, for example through any agreed annual pay increases negotiated with joint trade unions, subject to any local agreements in place.
- 4.7. Where a nationally negotiated pay spine does not apply, the Council will determine the salary rate through local negotiation and agreement.
- 4.8. All other pay related issues are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery.
- 4.9. In determining its grading structure and setting remuneration levels for any posts which fall outside the scope of the national pay bargaining arrangements, the Council takes account of the need to ensure value for money in respect of the use of public expenditure, balanced against the need to recruit and retain employees who are able to meet the requirements of providing high quality services to the community.

4.10. There are circumstances where the terms of Transfer of Undertakings (Protection of Employees: TUPE) may determine the eligibility of pay awards for employees who transfer into the Council.
