Section 4:

Could the proposal have a positive or negative impact on any protected groups (race, gender, disability, gender reassignment, age, pregnancy and maternity, religion and belief, sexual orientation, marriage and civil partnership)?

You may also want to consider socio-economic status of individuals.

Please list in the table below and include actions required to mitigate any potential negative impact.

Which group(s) of people could be affected	Potential positive or negative impact	Action required to mitigate any potential negative impact	Lead person	Timescale	Resource implications
Disabled and older people	<p>Positive</p> <p>Model produced which will be used annually to upgrade fees to be paid to providers.</p> <p>Transparency for providers who will be able to see how the model has been constructed and will be able to plan accordingly.</p> <p>Will assist the Council in planning budgets as same model will be used annually.</p> <p>Assistance to providers who will be able to plan their budgets accordingly.</p> <p>Loss of providers could lead to cheaper rates as providers would achieve economies of scale.</p>	<p>Consultation with Providers.</p> <p>Outcome based model developed with providers for pilot testing and roll out in 17/18.</p> <p>Ongoing engagement with providers to develop a sustainable model of care, exploring opportunities for collaborative approaches.</p> <p>Quality of care will continue to be monitored</p>	Jacqui Evans	Immediate	None

	<p>Negative</p> <p>Potential loss of providers in the market place</p> <p>Market place may not be able to sustain rates.</p> <p>Service users could outnumber providers if rate being offered is lower than expectations.</p> <p>Future year cost could be unaffordable for the Council.</p> <p>Loss of providers could lead to excess costs to the Council as fewer providers could lead to a monopoly on provision of care.</p>				

Section 4a: Where and how will the above actions be monitored?

DASS will monitor the market place and ensure there are sufficient providers to cover service users. Regular reviews will take place regular forums with providers will continue.

Section 4b: If you think there is no negative impact, what is your reasoning behind this?

Negative impact shown above.

Section 5: What research / data / information have you used in support of this process?

The UKHCA model has been utilised to ensure compliance. Benchmarking across North West authorities has supported our cost base. Consultation with providers, providers requested to provide their cost bases to support cost base. Returns from providers lower than we would have liked.

Section 6: Are you intending to carry out any consultation with regard to this Council proposal?

Yes / ~~No~~ – (please delete as appropriate)

If 'yes' please continue to section 7.

If 'no' please state your reason(s) why:

(please stop here and email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing)

Section 7: How will consultation take place and by when?

Consultation commenced in January 2017 with an end date of 20th February 2017.

All providers were given the opportunity to respond. There responses have been considered when calculating hourly rates.

Before you complete your consultation, please email your preliminary EIA to engage@wirral.gov.uk via your Chief Officer in order for the Council to ensure it is meeting it's legal publishing requirements. The EIA will need to be published with a note saying we are awaiting outcomes from a consultation exercise.

Once you have completed your consultation, please review your actions in section 4. Then email this form to your Chief Officer who needs to email it to engage@wirral.gov.uk for publishing.
