9 x 7.5 Biffa Lorries = 9 tonnes

**-Partner Involvement:**

On the 1<sup>st</sup> February 2016 the police organised a day of action around the North End and Harrowby Road, Tranmere.

The purpose of the community action day was to allow vulnerable residents to dispose of household waste while giving the police the opportunity to engage with the residents at the same time.

The police requested support from the Birkenhead Constituency Committee, both in terms of providing the skips and by organising additional support from Biffa and Involve Northwest.

Skips were placed at:

- Harrowby Road, Tranmere
- Hurrell Road, North End
- Norman Street, North End
- Connaught Close, North End

Hurrell Road required extra support from Involve Northwest and Biffa due to the amount of household waste placed at the site of the skips. Biffa assisted and 9 extra lorry loads were needed to remove the waste.

It is always difficult to estimate how much waste will be deposited at the location of the skips and in the case of Hurrell Road the amount of waste was far too much for the capacity of the skips.

Without the additional support of Biffa and Involve Northwest it would have been extremely difficult to remove the waste that couldn't fit into the skips.
