REPORT TITLE	PRIVATE HIRE VEHICLE CRITERIA AND LICENCE CONDITIONS FOR NON STANDARD LUXURY VEHICLES
REPORT OF	CORPORATE DIRECTOR FOR BUSINESS MANAGEMENT

REPORT SUMMARY

The purpose of this report is to seek Members approval to amend the procedure for licensing non standard luxury vehicles.

RECOMMENDATION/S

That Members approve an amendment to the procedure for licensing non standard Private Hire Vehicles. Should an application be received to license a vehicle that does not comply with the current criteria and conditions for private hire vehicles it is considered necessary and appropriate that each application should be considered on its own merits and it would therefore be referred to the Licensing Panel.

- 3.3 There are currently eight vehicles subject to those conditions.

Private Hire Vehicle Licence Conditions

Wirral Council must be satisfied that private hire vehicles operating in Wirral are safe to do so. Wirral Council may require you to present your vehicle for inspection or test during the period that the vehicle is licensed. The proprietor or licensed driver of the vehicle shall at reasonable times permit an Authorised Officer or Police Constable to inspect the vehicle for the purpose of ascertaining its fitness and shall comply with any direction. Should any of the below conditions not be complied with the private hire vehicle licence may be suspended or revoked and legal action may be taken in accordance with relevant legislation. Appropriate action may also be taken against the Private Hire Driver who uses the vehicle for hire and reward. (See the Council's Policy relating to the conduct of Private Hire and Hackney Carriage Licence Holders)

Notwithstanding the below conditions, if there is anything in the construction, form, working or general appearance of the vehicle which, in the opinion of Wirral Council or an authorised officer working on behalf of the Council, renders a vehicle unfit for use as a private hire vehicle, it may be suspended, revoked, or an application to renew a licence may be refused.

A vehicle licensed as a private hire or hackney carriage vehicle with any other local authority will not be licensed by Wirral Council.

If you are aggrieved by any of the requirements contained in the below conditions you have the right of appeal to a Magistrates' Court within 21 days of the issue of the licence to which these conditions are attached.
