

## Adult Care and Health Overview and Scrutiny Committee

### Tuesday, 27 November 2018

<b>REPORT TITLE:</b>	<b>2018/19 Quarter 2 Wirral Plan and Health and Care Performance</b>
<b>REPORT OF:</b>	<b>Director for Health &amp; Care (DASS)</b>

#### REPORT SUMMARY

This report provides the 2018/19 Quarter 2 (July – September 2018) performance report for the Wirral Plan pledges under the remit of the Adult Care and Health Overview and Scrutiny Committee. The report, which is included as Appendix 1, provides an overview of the progress in Quarter 2 and available data in relation to a range of outcome indicators and supporting measures.

The report also includes further performance information that has been requested by Members to enable effective scrutiny. The Adult Social Care and Health Performance Overview is included as Appendix 2. This report has been developed following Member feedback and includes key performance across health and social care.

#### Quarter Two Wirral Plan Performance Summary

- The employment rate for people over 50 reached its highest rate since the plan began (40.6%). Work continues to explore ways to promote employment opportunities in later life.
- The Heswall Door Knock took place in August resulting in 263 people signposted to an activity by a Community Connector.
- The Employment rate aged 16-64 - Equality Act core or Work Limiting Disabled measure has increased again to 48.8% up from 47.5% last quarter. This is an increase from 37.5% at the start of the plan. Wirral is closing the gap on the North West (50.4%) and National average (53.7%) which both remained static this quarter.
- The proportion of people who are feeling supported to manage their condition has reduced to 60.1% for the period January 2018 - March 2018 from 67.2% the previous year. This reduction reflects the pattern across the rest of the country. The All Age Disability Steering Group is further developing networks to enable third sector, supported housing and statutory organisations to feedback enabling the group to act on a wider range of service user inputs in the future.
- Ensuring people with disabilities have stable and appropriate accommodation improves their safety, increases their independence and reduces their risk of

social exclusion. The Q2 figure of 83.5% has increased from last quarter but is lower than the latest North West average. There has been an increase in Extra Care schemes throughout the borough, which aims to increase the number of adults with a learning disability who live in stable and appropriate accommodation.

- In Quarter 2 there has been a decrease in domestic abuse cases referred to the Family Safety Unit; 258 cases, compared to 276 in the previous Quarter. The percentage of referrals judged to have met the high-risk threshold has increased. The number of cases dealt with by the MARAC and repeat MARAC cases have increased, and Wirral MARAC case rates are higher than similar force and national benchmarks.

## **RECOMMENDATION**

That the Adult Care and Health Overview and Scrutiny Committee note the content of the report and highlight any areas requiring further clarification or action.

## **SUPPORTING INFORMATION**

### **1.0 REASON/S FOR RECOMMENDATION**

- 1.1 To ensure Members of the Adult Care and Health Overview and Scrutiny Committee have the opportunity to scrutinise the performance of the Council and partners in relation to delivering the Wirral Plan and performance of Adult Social Services.

### **2.0 OTHER OPTIONS CONSIDERED**

- 2.1 This report has been developed in line with the approved performance management framework for the Wirral Plan. As such, no other options were considered.

### **3.0 BACKGROUND INFORMATION**

- 3.1 The Wirral Plan is an outcome-focussed, partnership plan which has 18 supporting strategies that set out how each of the 20 pledges will be delivered. For each pledge, a partnership group has been established to drive forward delivery of the action plans set out in each of the supporting strategies.
- 3.2 A Wirral Plan Performance Management Framework has been developed to ensure robust monitoring arrangements are in place. The Wirral Partnership has a robust approach to performance management to ensure all activity is regularly monitored and reviewed.
- 3.3 Data for the identified indicators is released at different times during the year. As a result of this, not all Pledges will have results each quarterly reporting period. Some indicators can be reported quarterly and some only on an annual basis. Annual figures are reported in the quarter they become available against the 2017/18 year end column.
- 3.4 For each of the indicators, a trend is shown (better, same or worse). In most cases, this is determined by comparing the latest data with the previous reporting period i.e. 2017/18 year end. In some cases, i.e. where data accumulates during the year or is subject to seasonal fluctuations, the trend is shown against the same time the previous year. This is indicated in the key at the end of the report.
- 3.5 For some indicators, targets have been set. Where this is the case, a RAGB (red, amber, green, blue) rating is provided against the target and tolerance levels set at the start of the reporting period, with blue indicating performance targets being exceeded.
- 3.6 All Wirral Plan performance reports are published on the performance page of the Council's website. This includes the high-level Wirral Plan overview report and the detailed pledge reports which include updates on progress on

all activities set out in the supporting strategy action plans. The link to this web page is set out below:

<https://www.wirral.gov.uk/about-council/council-performance>

3.7 Each of the Wirral Plan Pledges has a Lead Commissioner responsible for overseeing effective delivery. The Lead Commissioners for the Pledges in the report at Appendix 1 are as follows:

- Ageing Well in Wirral – Fiona Johnstone
- People with Disabilities live Independent Lives – Graham Hodkinson
- Zero Tolerance to Domestic Violence – Mark Camborne

3.8 An additional report is included at Appendix 2 setting out a series of key indicators for the Adult Health and Care. This is in response to Members requesting that Adult Health and Care performance data is provided to the Committee.

#### **4.0 FINANCIAL IMPLICATIONS**

4.1 There are no financial implications arising from this report.

#### **5.0 LEGAL IMPLICATIONS**

5.1 There are no legal implications arising from this report.

#### **6.0 RESOURCE IMPLICATIONS: ICT, STAFFING AND ASSETS**

6.1 There are none arising from this report.

#### **7.0 RELEVANT RISKS**

7.1 The performance management framework is aligned to the Council's risk management strategy and both are regularly reviewed as part of corporate management processes.

#### **8.0 ENGAGEMENT/CONSULTATION**

8.1 The priorities in the Wirral Plan pledges were informed by a range of consultations carried out in 2015 and 2016 including the Wirral resident survey.

#### **9.0 EQUALITY IMPLICATIONS**

9.1 The Wirral Plan equality impact assessment can be found at:

<https://www.wirral.gov.uk/communities-and-neighbourhoods/equality-impact-assessments/equality-impact-assessments-2014-15/chief>
