Ref	Organisation / Group	Name of Project / Describe Your Project	What Is The Funding For (environmental improvements to any outdoor area/s to which the public has access)	How much you are applying for	Breakdown of Funding Request (value for money)	Overall cost of project
WLWYL 01	Black Pearl New Brighton/ Pirates At Art	<b>Pirates At Art</b> We build interactive pieces of art out of driftwood in a beach and park setting.	Funding is for general up keep of both The Black Pearl and Fairy Vale. Entertaining school trips and encouraging children to be responsible for their environment by disposing of litter in responsible way by giving them chocolate gold coins and then using litter pickers to dispose of wrappers. We also hope to repeat our very successful free grotto in Vale Park, we had nearly 500 children attend, all got to meet Santa and had a small gift. We work closely with Vale Park café and the Grotto/fairy garden and boat brings lots of business their way. Having nearly 14,000 followers on the 'Black Pearl New Brighton' Facebook page and being number one tourist attraction on trip advisor we bring much needed visitors to the area.	£500.00	Fairy Lights £103.47, Batteries £41.47, Nails & Screws £66.48, Glue £22.72, Grotto £146.96, Saw/Blades £45.95, Litter Pickers £14.99, Gloves (4 boxes) £19.96, Chocolate Coins £53.01. Total: £515.01	£515.01
WLWYL 02	Wallasey Village in Bloom	<b>Sensory Garden at Wallasey Village Library</b> The sensory garden will consist of railway sleeper raised beds fill with sensory plants and with a path winding through the sensory area.	The sensory garden will be a self-contained area that concentrates on a wide range of experiences, providing a valuable resource from education to recreation. It is well documented that being close to nature corresponds directly with the wellbeing and contentment of a human being. We experience everything through our senses and this creates the multi-sensory memories we carry with us. With imaginative sensory design and attention to detail, a garden becomes a sensory feast. It would be available for all and any groups or individuals who would benefit from the sensory garden as part of their health, education and well-being. We would actively encourage children's groups and local schools to visit.	£498.00	Railway Sleepers £162.00, Compost/Topsoil/Plant Feed £100.00, Membrane Liners £26.00, Bark £25.00, Plants £160.00. Total: £498.00	£498.00
WLWYL 03	The New Brighteners	To encourage all members of the public visiting New Brighton to respect the environment, to act responsibly towards the environment in regard to their activities, and to act responsible in the way they deal with their rubbish.	(1) To encourage visitors to New Brighton not to abandon plastic Buckets and Spades on the beach but to recycle them in our BIG RED BUCKET & SPADE RECYCLE BIN - also known as the BRBSRB for short(!) (2) Having successfully used small temporary posters to encourage Crabbers, round the New Brighton Marine Lake, to dispose of crabbing gear responsibly, we want to put three larger and permanent signs. (3) To get some A2 posters properly printed and laminated to use in our A2 'A' Boards to help get the 'Rubbish' Message across to visitors to New Brighton.	£480.50	Bucket & Spade Recycle Bin & Stickers £225,10 x Crabbing Education Signs £171.50, 12 x A2 Posters for A Boards £84.00. Total: £480.50	£480.50
WLWYL 04	New Brighton in Bloom	<b>To improve the environment of the shopping parade</b> on Seabank Road, near to Magazine Lane by planting up the planters and barrier baskets with planting, with a sustainable plan.	Seabank Road is the main road into New Brighton. A number of traders want to improve the environment on the shopping parade where a number of planters and barrier baskets need refurbishment and planting - once done, the traders are happy to pay for advertising, making the project sustainable. The grant will be used to buy soil, plants and to refurbish the planters. The local community will benefit from an improved visual environment instilling pride and aspirational ownership and it will hopefully benefit the local economy. Traffic into New Brighton will get an improved impression and may stop at the shopping parade.	£500.00	Soil/topsoil/compost £100.00, Plants & Barrier Baskets £370.00, Capillary Matting £30.00. Total £500.00	£800.00
WLWYL 05	The Parents and Friends of Moreton Day Service (Oakenholt Road)	This year we entered for the first time the <b>RHS Britain in Bloom Competition 'North West It's Your Neighbourhood Awards'</b> and achieved a Level Three (five being Outstanding) we are entering again in 2019 and hope to achieve more.	The funding will cover the cost of planting up and re-painting the four huge timber planters at the front boundary of the Oakenholt site, they are situated a metre away from the pavement. Everyone passing by will benefit from the uplift the beds give to Oakenholt Road we know this from the favourable comments this year. We also have sixteen hanging baskets to plant up and a show piece bed to create. We also need a watering system for the hanging baskets.	£498.30	Peat Free Compost £27.72, 15 Pot watering System £29.59, Micro tube for Watering System £5.99, Garden Paint £50.00, Various Plants £385.00. Total: £498.30	£498.30
WLWYL 06	The Voice of Egremont Residents' & Tenants' Association	<b>King Street Planters</b> - We are aiming to add flowering rail planters to existing railings along King Street.	Funding is to purchase planters and plant to improve the overall appearance of our local area, to make it nicer and welcoming to the local community.	£499.00	Planters £369.72 Plants Various £129.28 (to be purchased from Glasdon Quality By Design & B&Q) Total: £499.00	£499.00

WLWYL 07	Saughall Massie Village Conservation Area Society	In January 2006, Wirral MBC entered into a partnership with SMVCAS and gave us a grant support of £2,850 from the 'Area Forum Funding Corporate Policy Team' to part fund an Interpretation Panel, install a bronze plaque and purchase a Digital Projector to promote <b>Thomas Brassey, the world's greatest Railway Builder</b> . This was after the SMVCAS applied and received a Grade II listing for the Saughall Massie Bridge - Thomas Brassey's first bridge, built in 1829. We now wish to replace the Perspex interpretation panel insert, with the information on it about Thomas Brassey, as over the years it has deteriorated and become difficult to read.	Replacement Perspex panel.	£480.00	Image-makers Ltd £480.00. Total £480.00	£480.00
WLWYL 08	Seabank Road Tenants' and Residents' Association	<b>Operation Make Good:</b> Repairing and refurbishing about 15 street benches, and refilling and replenishing about 15 roadside planters, and maintaining these (watering, feeding & weeding).	Repairing and refurbishing benches in Seabank Road, Atherton Street and Wellington Road areas. Refilling with soil and replanting seeds, bulbs and flowers, maintaining, watering and feeding large planters in Seabank Road. This should encourage people to walk into the area, for their own pleasure and to the benefit of the local shops.	£500.00	Gloves £5.00, Paint & brushes £75.00, Varnish £130.00, Soil £100.00, Flowers, Bulbs, Seeds £180.00, Plant Feed £10.00. Total: £500.00	£500.00
WLWYL 09	Claremount Methodist Church	<b>Container Screening</b> - Taunton Road. The removal of dead trees along our perimeter fence and purchase of new trees and bushes.	A few years ago Claremount Church did a considerable amount of work to increase the relevance of their property. Building work disturbed the integrity of the outside shrubby and many older trees died. On the Taunton Road side we have a waste paper container which is part of our regular fund raising, all of which goes to local community groups. The view for the people in Taunton Road would be much improved if the dead trees were removed and replaced with younger saplings to further screen the container. The site has open access to the community.	£500.00	Sorbus (mountain ash) £156.00, Shrubs (various) £60.00, Compost & Soil £24.00, Labour for removal of dead bushes and considerable debris £260.00. Total £500.00	£500.00
WLWYL 10	Christians Against Poverty (CAP) Life Skills	<b>Gardening for wellbeing</b> – Working with and supporting clients to enjoy a new activity – gardening – for the benefit of the local community.	Part of the course we run is giving the clients opportunities to try new things like gardening, visiting galleries, museums, etc. With this project we would like to focus upon gardening and help beautify and brighten the space outside New Brighton Baptist Church by installing fence planters alongside the pavement wall area of Seabank Road for the benefit of the local community. This will complement the Church's project to improve the inner grounds.	£500.00	Fence Planters x 2 £300 (includes VAT), Carriage £42.00, Plants, Trees, Shrubs, Soil etc. £158.00. Total: £500.00	£500.00
WLWYL 11	New Brighton Baptist Church	<b>Brightening the garden</b> - Install fence planters within the grounds of Church for the community to benefit from.	To install flower planters within the front garden of the Church for members and the local community to enjoy; this new planting will be lifted up above the wild flower strip making it visible to passers by.	£492.00	Fence Planters x 3 £450.00 (includes VAT), Carriage £42.00. Total: £492.00	£492.00
WLWYL 12	Gorse Millennium Green Trust	Creating a <b>Nature Trail</b> for our Pocket Park.	We hope to: Involve community volunteers to our park maintenance/improvement programme; Increase access to wooded areas of the park by developing a circuit of paths; Make clearings to add interesting features to the park. Our aims are to: Provide a Nature Trail for the local community, schools, children and visitors to enjoy; Improve interest and footfall in this local asset by adding features to our park.	£497.99	1 week digger hire £185.00, 2 wheelbarrows £130.00, 1 Weed burner £39.99, 3 Grafting Spades £63.00, 3d skip hire £85.00 (asking for £80.00) 1 Brush cutter £285.00 (group funding this themselves). Total: £497.99	£789.99
WLWYL 13	Community Spirit Wirral	<b>Community Spirit Wirral Outside Garden Project</b> - To continue the development of the gardens, and upgrade the rear of our building - Place in Park, Central Park.	Community Spirit helps local families struggling financially and homeless/vulnerable people. We currently feed over 170 families a week with food bags to take away. All of these members of our community visit the centre for support and comfort. Following the massive improvement to the front of the centre, continuing to work with the Improving Life Chances group, we are looking to revamp the rear of the centre, which would make a difference for all those who use the centre, improving the premises and making it pleasant to the eye; a place to sit on warm day with planters, baskets, colourful plants & flowers.	£500.00	Planters £120.00, Plants/Various evergreens & flowers £150.00, Compost, Soil £80.00, Paint £100.00, Wooden Bins £50.00, Tools & trowels £40.00 (group funding this themselves). Total: £500.00	£580.00
WLWYL 14	Wallasey Central Park Partnership	<b>Wildlife ponds landscaping project</b> - To buy and plant new shrubs and flowering plants to enhance the appearance of the ponds area and increase biodiversity, following the completion of the scheme to improve drainage.	Public perception of the wildlife ponds area is that it is unattractive and neglected, an appearance exacerbated by drainage problems. Once the drainage improvements are completed, our planting project (carried out in partnership with park staff) will improve the appearance of the ponds area and help bring it up to a standard to match the rest of the Green Flag award-winning park, to the benefit of all park users.	£496.88	Various plants from Waterside Nursery £195.00, AJ Jones Nursery £106.88 & Puddleplants £195.00. Total £496.88	£496.88

WLWYL 15	The Friends of Wallasey Central Library	<b>Libraries in Bloom</b> - To replace, stock and maintain planters outside the entrance of Wallasey Central Library and replant with wildflowers the two grassed areas adjacent to the entrance	The funding will enable us to buy one planter and stock it. This will help us to kick-start an ongoing project we hope to run in partnership with New Brighton in Bloom. We intend to buy a second hand planter and sow wildflowers in the grassed areas adjacent to the library entrance. We believe this will improve the street scene, be positive for the environment and provide a welcoming entrance to this busy library which is at the hub of the local community.	£499.87	Planter £369.87, Delivery £50.00, Various Plants £80.00. Total: £499.87	£869.74
WLWYL 16	Falkland Rd Organic Growers (FROG)	<b>Seacombe in Bloom Open Day</b> - To improve our growing space to link in with Seacombe in Bloom and arrange open day for public to be involved.	Seacombe in Bloom Open Day To improve our growing space to link in with Seacombe in Bloom and arrange open day for public to be involved.	£500.00	Promotion & New Signs £100.00, Grow Your Own Demonstration Workshops by Bloomfields £150.00, Materials £100.00, refreshments £100.00. Total: £500.00	£500.00
WLWYL 17	The Friends of Seacombe Library	<b>Seacombe Library Car Park / External Improvements</b> - to provide safety rails, paint for the ramp, paint outside of this vital and well used community resource as it is in dire need of improvement.	Funding would make the car park and entrance of busy Seacombe Library much safer and less of an eyesore for the community. We need a safety rail and paint for the ramp to the side of the library to avoid accidents and external painting to encourage use of services.	£500.00	Safety Rail £337.00, Paint for ramp/walkway £25.00, Contribution to external paint for building £138.00. Total: £500.00	£582.00

WLWYL 01	Black Pearl New Brighton/ Pirates At Art.	Leasowe & Moreton East, Liscard, Moreton West & Saughall Massie, New Brighton, Seacombe, Wallasey, Residents outside constituency area, Other Community Groups, Visitors to Wirral - we estimate many 1000's in person who visit the boat and fairy glen and even more via our 14,000 followers on Facebook	We have constructed an almost full size pirate boat on the beach and a fairy garden in Vale Park out of driftwood and other recycled items. Our group of pirates maintain both areas, beach clean and entertain school groups from across Merseyside and beyond. This encourages many visitors to the area lets 'children be children' the community have taken the fairy Vale and Boat to heart and are very protective. This all for very little financial outlay and free of charge for people of all ages to enjoy being out and about in our open spaces. Community Group	Wallasey Village Library, St George's Rd, Wallasey Village, CH45 3NE	7
WLWYL 03	The New Brighteners	The New Brighton ward's approx. population of 14,859 would potentially benefit and be positively affected. The well publicised re-developments in New Brighton via local and regional media have raised visitor expectation. This has brought with it the need to show that we care and want to encourage visitors, whether local, Wirral based or from outside of the Wirral area, to also care for the local environment and to have a sense of 'visitor ownership'. This new project will further promote the environmental care of New Brighton, and encourage community and economy. New Brighton's Visitor economy has increased to c. £25m. Some 250,000 visit the Floral Pavilion annually and as Wirral's population is approx. 321,200, this indicates a high influx from outside the Borough. A significant number of these visitors could benefit from this project.	Cleans rubbish of the beach and adjoining environs. Campaigns to change peoples' perception of rubbish and their attitudes to their personal responsibilities. Visits schools to talk to help educate children about the beach and local environs. WLWYL 15	The Friends of Wallasey Central Library	New Brighton - 104,000	We support the library by raising money for equipment and items such as craft materials, furniture and we have purchased CCTV. We run a film club and other events.	Community Group	Wallasey Central Library, Earlston Road CH45 5DX	7
WLWYL 16	Falkland Rd Organic Growers (FROG)	Seacombe - 30 people benefitting directly.	We are a voluntary group open to anyone to join who promote organic growing on fruit and vegetables.	Community Group	Wirral Environmental Network Ground, Seacombe CH44 8ER	5
WLWYL 17	The Friends of Seacombe Library	Our project would benefit approximately 2,000 residents of Seacombe, Wallasey, Liscard, New Brighton, Leasowe & Moreton East per month as this is the average number of users in this community building. Some visitors come from further afield at times for events or courses but generally these are the wards covered by this library and its services. (This number may increase in 2019 as more courses and events are always being planned and the building is opened by volunteer groups and for courses on days when it is closed as a library).	We support Seacombe Branch Library and encourage its use. We run many free events for the local community (usually) Monthly and try to support this community in any way we can.
