

Amendments to Notices of Motion

The Council is requested to consider the following amendments, submitted in accordance with Standing Order 12(1) and (9)

(1) Notice of Motion No. 1 – A BETTER OFFER FOR CARE LEAVERS

Amendment

Proposed by Councillor Tom Anderson

Seconded by Councillor Wendy Clements

In paragraph 3 delete all from: ‘However, our commitment.....’ to ‘truly over,’

In paragraph 3 delete all from ‘and reverse.....’ to ‘us all.’

Insert ‘and’ between ‘priority’ and ‘provide’

Insert new paragraphs:

Council welcomes the Government’s Care Leavers Strategy and is fully committed to ensuring that this guidance is implemented within the local authority. Council requests that a report goes to the Children and Families Overview and Scrutiny Committee detailing the progress in implementing this strategy.’

Council recognises the beneficial effect of employment on life chances. To give our care leavers the best start possible, Council requests Cabinet to ensure Officers continue their work to prioritise apprentice vacancies within the authority and working with our partners, for care leavers. Thereby ensuring they have a better start in life.

Therefore, the final three paragraphs read:

The Council supports the £20m investment made in 2018/19 and is committed to continued investment in Children’s services. Council calls on the government to set children as their number one priority and provide adequate funding for local councils.

Council welcomes the Government’s Care Leavers Strategy and is fully committed to ensuring that this guidance is implemented within the local authority. (2) Notice of Motion No. 1 – A BETTER OFFER FOR CARE LEAVERS

Amendment

Proposed by Councillor Phil Gilchrist
Seconded by Councillor Andy Corkhill

Insert after para 3...

Council also believes that the Government needs to take steps to intervene in the operation of the private sector providing residential placements for children. In particular, the findings of the National Audit Office 'Pressures on children's social care' (18 January 2019) highlighted the spiralling cost of care in that sector (paras 1.26 and 1.27).

The Government also needs to review the operation of the 'market' in care homes where the shortage of suitable places in some localities leads to increased charges. It should be noted that, at the end of August 2017, 43 private companies ran 41 per cent of all children's homes in England, with the five largest companies accounting for about 17 per cent of all homes.

However, only 14 per cent of privately-owned homes were judged to be "outstanding" overall by Ofsted in 2016/17, compared with 25 per cent of homes run by local authorities and 19 per cent of homes run by voluntary organisations. (source: Children and Young People Now, 17 July 2018)

(3) Notice of Motion No. 3 – INVESTING TO CHANGE OUR URBAN SCENE

Amendment

Proposed by Councillor Liz Grey
Seconded by Councillor Janette Williamson

Delete all after, "Council recommends that Cabinet invites Ward Members to submit reports on the areas that they believe need upgraded."

Replace with:

This would be over and above minor maintenance but should be a series of suggestions for improving the environment and road safety. A target date for submissions should be offered so that a planned programme of improvement can be drawn up.

Council also requests that Cabinet reports back on how long it would take to improve the situation along our roads and pavements at current spending levels and if the deterioration might be reversed and resourced through prudential borrowing or capital investment.

(4) Notice of Motion No. 4 – GLYPHOSATE-FREE WIRRAL

Amendment

Proposed by Councillor Liz Grey

Seconded by Councillor Julie McManus

Delete all after: “Pets and children should not be playing in parks, in our streets or any area treated with such chemicals.”

Replace with “Council recognises that WBC does not use glyphosate in Green Flag areas.

Council welcomes the fact that WBC is trialling the use of alternatives to glyphosate, such as hot foam, for use in our other areas, with the intention of phasing out the use of glyphosate as soon as possible.

Council requests Cabinet /or recommends that cabinet resolves to:

- Grant an exception to the above ban regarding the control of Japanese knotweed, Hogweed or other invasive species. In such cases, all means possible will be used to minimise the spread of the chemicals into the surrounding area.
- Write to the prime minister to inform the government of this Council’s opposition to glyphosate-based herbicides and to call for a UK-wide programme to phase out their use.

(5) Notice of Motion No. 4 – GLYPHOSATE-FREE WIRRAL

Amendment

Proposed by Councillor Andrew Gardner

Seconded by Councillor Tony Cox

Delete all after: ‘France is working towards this.’

And insert:

Council notes that cases in the USA are brought by common law and not statute.

Recent research published in Science Direct

(<https://www.sciencedirect.com/science/article/pii/S1383574218300887>)

has described those with “**very** high exposure” have an increased risk of cancer but further notes that the report itself states that its results “should be treated with caution” due to “heterogeneity and publication bias”.

Council notes that the World Health Organisation classes glyphosate as 2A probable carcinogen along with red meat, hot drinks, high temperature frying, household biomass combustion.

Council further notes that the European Food Agency stated that glyphosate was “unlikely to be carcinogenic to humans”, that the German Federal Institute for Risk Assessment stated that glyphosate toxicity and risk of being a carcinogen was “contradictory and far from convincing.”

Council therefore resolves to recommend to Cabinet that given the heightened awareness of possible risk that:

- other avenues of herbicide should be researched for consideration for future use
- Council employees receive premium personal, protective equipment (PPE)
- until such times as national guidelines change, glyphosate remains available for Council use and to treat invasive species such as Japanese Knotweed, Giant Hogweed and Spartina Grass.

(8) Notice of Motion No. 7 – TV LICENCES

Amendment

Proposed by Councillor Janette Williamson

Replace with:

Council notes that in 2015 the Conservative government announced that the BBC would take over the cost of providing free licences for over 75s by 2020, at the cost of £745m, a fifth of their budget.

Council notes the decision made by the BBC to remove free TV licences from over 75s except for those on pension credit.

Amendment

Proposed by Councillor Pat Cleary
Seconded by Councillor Chris Cooke
