

WIRRAL COUNCIL

PAY POLICY STATEMENT

2020 – 2021

1. Introduction and Purpose

- 1.1. In line with the Localism Act 2011 (the Act), the purpose of this statement is to provide transparency with regard to the Council's approach to setting pay by identifying:
 - The methods by which salaries of all employees are determined;
 - The detail and level of the salary package of its most senior staff i.e. 'Chief Officers', as defined by the relevant legislation;
 - The Chief Executive and Head of Paid Service responsibility for ensuring the provisions set out in this statement are applied consistently throughout the Council and recommending any amendments to Full Council.
- 1.2. The Council will consult with the relevant Trade Unions in relation to changes and updates to the Pay Policy, before the Policy is considered by Full Council.
- 1.3. Once approved by Full Council, this policy statement will come into immediate effect and will be subject to review on a minimum of an annual basis; the policy being approved by 31 March each year.
- 1.4. The Council may, by resolution, amend this Pay Policy, including after the beginning of the financial year to which it relates.

2. The Scope of this Policy

- 2.1. This Pay Policy Statement relates to staff employed by Wirral Council whose salary package including rate of pay and terms and conditions are determined by and are within the control of the Council.

3. Other Legislation Relevant to Pay and Salary Package

- 3.1. In determining the pay and salary packages of all of its employees, the Council will comply with all relevant employment legislation.
- 3.2. It is Council policy to ensure that there is no pay discrimination within its terms and conditions of employment, including pay structures. Any pay differentials can be objectively justified through the use of job evaluation, which directly establishes the relative levels of posts by grades according to the requirements, demands and responsibilities of the role.
- 3.3. Under the Equality Act 2010 (Specific Duties and Public Authorities Regulations 2017), the Council is required to publish an annual gender pay gap report, reporting a snapshot of the workforce in scope as at 31 March (previous year).
- 3.4. The Council will ensure that it meets the requirements of the Local Government Transparency Code 2014. The Transparency Code requires that all local authorities publish certain information related to the organisation, salaries and fraud including:
 - Organisation chart
 - Senior salaries
 - The pay multiple

- Trade union facility time
- Fraud
- Constitution

4. Pay Structure

- 4.1. The Council uses the National Joint Council (NJC) nationally negotiated pay spine (i.e. a defined list of salary points) as the basis for its pay structure.
- 4.2. The Council employs staff on other pay and terms and conditions including Craft, Youth and Community, Soulbury, Teachers, NHS, and pay is in accordance with national pay spines.
- 4.3. The Council adopts the national pay bargaining arrangements in respect of the establishment and revision of national pay spines, for example through any agreed annual pay increases negotiated with joint Trade Unions, subject to any local agreements in place.
- 4.4. Where a nationally negotiated pay spine does not apply, the Council will determine the salary rate through local negotiation and agreement.
- 4.5. All other pay related issues are the subject of either nationally or locally negotiated rates, in accordance with collective bargaining.
- 4.6. In determining its grading structure and setting salary packages for any posts which fall outside the scope of the national pay bargaining arrangements, the Council takes account of the need to ensure value for money in respect of the use of public expenditure, balanced against the need to recruit and retain employees who are able to meet the requirements of providing high quality services to the community.
- 4.7. There are circumstances where the terms of Transfer of Undertakings (Protection of Employees: TUPE) may determine the eligibility of pay awards for employees who transfer into the Council on protected terms and conditions.

4.8. Variations to Pay Grade

- 4.8.1. From time to time it may be necessary to take account of the external pay levels in the labour market in order to attract and retain employees with particular experience, skills and capacity. Where necessary the Council will ensure the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using data sources available from within the local government sector and outside, as appropriate.
- 4.8.2. Any temporary supplement to the salary scale for the grade is approved in accordance with the Council's Honoraria Policy, or any applicable market rate supplement arrangements.

4.11. New Appointments

- 4.11.1. New appointments will normally be made at the minimum Spinal Column Point (SCP) of the relevant pay scale for the grade. Where the candidate is already in receipt of remuneration above the minimum SCP of the relevant pay scale, the appointment will normally be made at the nearest equivalent SCP in the grade. If the employee is already in receipt of acting up or honoraria this will also apply.
- 4.11.2. The appointment salary may be varied with the agreement of the Head of Human Resources. Proposals should be made by the recruiting manager, supported by a business case providing objective justification for the proposed variation prior to any offer of employment.

4.12. Progression through Pay Grades

- 4.12.1. An employee's progression through the increments of a particular pay grade is linked to length of service. Increments are awarded on 1 April each year, or for new appointments between 1 October and 31 March, six months from the start date.
