RECOMENDATIONS

It is recommended that the report be noted.

SUPPORTING INFORMATION

1.0 REASONS FOR RECOMMENDATION

1.1 So that Members can be appraised of the performance of the Development Management Service regarding planning appeals, including the percentage of Council decisions overturned on appeal by the Planning Inspectorate.

2.0 OTHER OPTIONS CONSIDERED

2.1 As this report is for information no alternative options are recommended.

3.0 BACKGROUND INFORMATION

3.1 The Government's Performance Indicator relates to appeals arising from the Council's refusal of planning permission. It measures the Council's appeals performance in the form of the percentage of appeals allowed.

3.2 This indicator is concerned only with planning applications where the Council has refused planning permission. It does not include planning appeals against conditions and non-determinations.

3.3 Target setting for this indicator is at a local level: there is no prescribed national target. As a general comparison the national average for the number of appeals allowed is around 33% per year.

Commentary on Performance

3.4 Performance will be reported for Members moving forward on a quarterly basis. These will be reported as follows:

- Q1 relates to the period 1 April to 30 June
- Q2 relates to the period 1 July to 30 September
- Q3 relates to the period 1 October to 31 December
- Q4 relates to the period 1 January to 31 March

3.5 The following table shows the data for the last full performance year (1 April 2020 to 31 March 2021) and the current performance data for the first quarter of the current reporting year (1 April 2021 to 31 March 2022):
