SUPPORTING INFORMATION

1.0 REASON/S FOR RECOMMENDATION/S

- 1.1.1 This matter is being referred to Policy & Resources Committee because the Economy, Regeneration and Development Committee is recommending the Policy and Resource Committee to endorse an extension of the Business Support Services contract to 30 September 2021. And to approve the final Business Support Services specification for delivery of a new service from October 2021 to October 2024, with an option to extend by one year to October 2025 based on satisfactory performance.
- 1.1.2 This decision will require funding to be made available by virement between budget funds and in accordance with the Council's Constitution the virement of funds requested by a Committee or Officer in excess of £100,000 is reserved to Policy & Resources Committee.

2.0 OTHER OPTIONS CONSIDERED

- 2.1 Closure of service: Provision of frontline business growth support remains critical to the economic recovery, regeneration and growth ambitions for the borough.

3.0 BACKGROUND INFORMATION

- 3.1 This paper summarises progress of Wirral Council's Business Support Service (BSS) commission which runs to May 2021. It asks Committee to endorse the extension of the current contract to September 2021 to align procurement timescales with the complementary Third Sector Infrastructure service and seeks authority to undertake market procurement for a reprioritised Business Support Service in 2021. The report provides an overview of the emerging business support services specification, which is being developed in line with Wirral's strategic priorities and seeks authority for the Director of Regeneration and Place, in consultation with the Chair and Spokespersons, to sign off the support specification, commence market procurement and select a supplier.
