

PRIVATE HIRE VEHICLE LICENCE

CONDITIONS

(Contract)

Private Hire Vehicle Licence Conditions

Wirral Council must be satisfied that private hire vehicles operating in Wirral are safe to do so. Wirral Council may require you to present your vehicle for inspection or test during the period that the vehicle is licensed. The proprietor or licensed driver of the vehicle shall at reasonable times permit an Authorised Officer or Police Constable to inspect the vehicle for the purpose of ascertaining its fitness and shall comply with any direction. Should a private hire vehicle fail to be presented for inspection on request by an Authorised Officer, the vehicle licence may be suspended.

Once a vehicle licence has been issued it remains in force at all times until the licence expires or it is surrendered, suspended, or revoked. The vehicle must therefore be driven by a licensed Private Hire Driver at all times.

Should any of the below conditions not be complied with the private hire vehicle licence may be suspended or revoked and legal action may be taken in accordance with relevant legislation. Appropriate action may also be taken against the Private Hire Driver who uses the vehicle for hire and reward. (See the Council's Policy relating to the conduct of Private Hire and Hackney Carriage Licence Holders)

Notwithstanding the below conditions, if there is anything in the construction, form, working or general appearance of the vehicle which, in the opinion of Wirral Council or an authorised officer working on behalf of the Council, renders a vehicle unfit for use as a private hire vehicle, it may be suspended, revoked, or an application to renew a licence may be refused.

A vehicle licensed as a private hire or hackney carriage vehicle with any other local authority will not be licensed by Wirral Council.

If you are aggrieved by any of the requirements contained in the below conditions you have the right of appeal to a Magistrates' Court within 21 days of the issue of the licence to which these conditions are attached.

35. If a seatbelt sustains any frays, cuts, or other damage the seatbelt must be replaced - not repaired.
36. The floor of the vehicle must be covered in an appropriate non-slip material which must be free from rips, tears and holes.
37. Nothing must be placed in front of or on any windows that would obscure the clear vision of the driver or passengers other than those authorised by Wirral Council.
38. The private hire driver's badge must be displayed in a prominent position within the vehicle so that all details can easily be read by passengers at all times.

ELECTRICAL EQUIPMENT

39. Any additional electrical installation to the original vehicle equipment must be adequately insulated and be protected by suitable fuses. Any electrical installation and components within the taxi must meet the electromagnetic compatibility (EMC) requirements of UNECE Regulation 10 and be marked accordingly.

MANDATORY SIGNAGE AND NOTICES

VEHICLE LICENCE PLATES

40. The large vehicle licence plate identifying the vehicle as a private hire vehicle (rear plate) must at all times be securely fixed externally to the rear of the vehicle in a manner approved by Wirral Council in a prominent position ensuring that the whole plate is clearly visible and it does not obscure or alter any of the information printed thereon. For the avoidance of doubt, the mounting of the plate by magnetic or any other semi permanent means, for example cable ties, zip ties or Velcro, is prohibited.
41. The small vehicle licence plate identifying the vehicle as a private hire vehicle (front plate) must at all times be securely fixed externally to the front of the vehicle in a manner approved by Wirral Council in a prominent position ensuring that the whole plate is clearly visible and it does not obscure or alter the information printed thereon.
42. At no time must the licence plates be wilfully or negligently concealed from public view.
43. Vehicle licence plates must be free from damage and must not be altered in any way with regards their appearance or size.
44. The private hire vehicle licence plates remain the sole property of Wirral Council.

INTERIOR LIGHTING

45. All interior lights must be in good working order and be automatically activated upon the opening of a door.

NOTICES

46. Any notice that Wirral Council may require must be displayed inside the vehicle as directed.

ADVERTISEMENTS

47. No advertisements may be displayed on or from the outside of the private hire vehicle.
48. Advertisements may be displayed inside private hire vehicles with prior approval from Wirral Council. Advertisements inside the private hire vehicle must not be placed on any window or dashboard.
49. Advertisements must comply with the UK Code of Non-broadcast Advertising and Direct & Promotional Marketing (CAP Code) published by the Advertising Standards Agency (ASA) and the Committee of Advertising Practices (CAP).
50. Any advertisement promoting alcohol, tobacco, the sex industry, or any matters considered inappropriate or controversial are not permitted to be advertised in private

hire vehicles.

CLOSED CIRCUIT TELEVISION (CCTV)

51. CCTV may be installed in private hire vehicles to aid the prevention and detection of crime. If CCTV is installed in a private hire vehicle the following conditions apply:
52. The data controller must register with the Information Commissioners Office (ICO) and ensure the registration is kept current at all times that CCTV is fitted in the vehicle.
53. The data controller must comply with the Data Protection Act 1988, 'CCTV Code of Practice' issued by the Information Commissioners Office (ICO), and any other relevant legislation.
54. Signs advising that CCTV is in operation must be prominently displayed so that it can be seen from both outside and inside the vehicle.
55. The CCTV system must be capable of recording and storing footage for a minimum period of 14 days.
56. The CCTV system must be capable of capturing images that, in low light conditions, must be of sufficient quality to enable identification of any person(s) travelling in the vehicle.
57. The CCTV system must provide that the hard disk or memory card is not accessible by the proprietor or driver of the vehicle.
58. Footage captured must be made available to Wirral Council and the Police upon request.
59. The CCTV system must provide that the data unit is stored separately from the camera(s) and out of view of person travelling in the vehicle.
60. Cameras must not be fitted in locations that are likely to affect the safety or dignity of any person travelling in the vehicle, and must be located as securely and discreetly as possible to avoid passengers travelling in the vehicle from tampering with them.

ROOF RACKS, ROOF BOXES, AND TRAILERS

61. Private hire vehicles are not permitted to use roof racks, roof boxes, or trailers.

WHEELS AND TYRES

62. Where a private hire vehicle is supplied with alloy wheels, all four road wheels must be of the same type and pattern.
63. Where a private hire vehicle is supplied with wheels intended to be fitted with wheel trims, all four road wheels must be fitted with wheel trims of the same pattern.
64. Alloy wheels, wheel rims, and fitted wheel trims must be free from damage and defects which affect the safety, appearance, or integrity of the wheel.
65. Part-worn and remould tyres must comply with the Motor Vehicle Tyres (Safety) Regulations 1994.

66. Vehicles are not permitted to use tyres which are more than ten years old.
67. All tyres, including the spare where applicable, must be the correct size, speed, and load rating for the vehicle as per the manufacturer's specification.
68. All tyres, including the spare where applicable, must be properly inflated in accordance with both the vehicle and tyre manufacturer's specifications.
69. All tyres, including the spare where applicable, must have a continuous tread depth of at least 1.6mm across the central three quarters of the breadth of the tyre, and visible tread across the remaining breadth of the tyre.
70. All tyres, including the spare where applicable, must be free from cuts and other defects.
71. The private hire vehicle must carry a method for dealing with a wheel or tyre should it become defective. This method must be in accordance with the vehicle manufacturer's specification which must be one of the following:
 - full size spare wheel - which must be the same size and type as the four road wheels and be fitted with a tyre of the same size, speed, and load rating as the four road wheels. Proper tools and equipment for changing the wheel must also be carried.
 - space saver spare wheel - which must be the correct size and type for the vehicle and be fitted with a tyre of the correct size, speed, and load rating. The tyre must be correctly inflated in accordance with the manufacturer's specifications. Proper tools and equipment for changing the wheel must also be carried.
 - run-flat tyres - which must be fitted to all four road wheels. Run-flat tyres may only be used if the vehicle is fitted with an appropriate and serviceable tyre pressure monitoring system (TPMS).
 - emergency tyre sealant and compressor/inflator pack – which must be permanently marked with the vehicle registration number.
72. If a wheel or tyre becomes defective and one of the above methods is used to rectify the fault this is a temporary measure only. The vehicle must not be used for hire or reward purposes other than completing the current journey, if applicable.

DOORS

73. It must be clear to passengers how to operate the doors of the vehicle.

Where hinged and sliding doors are fitted

74. When the vehicle is stationary, the passenger doors must be capable of being opened from the inside and outside of the vehicle by one operation of the latch mechanism.
75. Where sliding doors are fitted an audible or visual warning must be fitted in the driver's compartment indicating when any door is open.

Where electric doors are fitted

76. Where electric doors are fitted the door system design must incorporate a method to detect an obstruction in the path of a closing door. When an obstruction is detected, the door system must react in a manner that will allow the obstruction to be released.
77. A method for detecting an obstruction and preventing the closure of a powered door must be included as part of the design of the door controls.
78. A sign must be clearly displayed inside the vehicle providing instructions on the correct operation of the door opening and closing mechanism.

WINDOWS

79. All windows must be secure and free from cracks, damage, or other defects.
80. The front windscreen must let at least 75% of light through and all other windows must let at least 70% of light through.
81. Passenger door windows must be capable of being easily opened by passengers when seated.

MIRRORS

82. All mirrors and mirror housing units must be secure and free from cracks, damage, or other defects.

PASSENGERS

83. The proprietor must not cause or permit the vehicle to be used to carry a greater number of passengers than prescribed in the private hire vehicle licence.
84. The proprietor must not cause or permit children under the age of 10 years to be conveyed in the front of the vehicle whilst it is being used for hire and reward.
85. Only one passenger is permitted to be conveyed in the front of the private hire vehicle unless specifically permitted by the licence.

ALTERATION OF CONDITIONS

86. Wirral Council may alter these conditions upon giving 28 days notice in writing to the licence holder that any of these conditions are deleted, any new ones inserted or existing conditions altered. The licence holder, if aggrieved, will have the right to appeal to the Magistrates Court within 21 days of being notified of the proposed change.
