ENVIRONMENT, CLIMATE EMERGENCY AND TRANSPORT COMMITTEE 7 SEPTEMBER 2021

27 APPOINTMENT TO HILBRE ISLAND NATURE RESERVE MANAGEMENT COMMITTEE

Vicky Shaw, Head of Legal Services, introduced this report which was to enable the Committee to review the continuing need for the Hilbre Island Nature Reserve Management Committee and if necessary to appoint Members, and possibly named deputies, to serve on it in 2021/2022.

Members discussed the membership of the Committee and whether political proportionality should be considered.

Due to the lack of consensus, Councillor Liz Grey proposed taking the matter to Policy and Resources Committee. This was seconded by Councillor Chris Cooke.

Resolved:

**That Policy and Resources Committee be recommended to:
authorise the Monitoring Officer as proper officer to carry out the wishes of the Group Leaders in relation to the matter of Councillor membership of the Hilbre Island Nature Reserve Management Committee.**
