

HOUSING COMMITTEE

Thursday 27 January 2022

REPORT TITLE:	2022/23 BUDGET UPDATE
REPORT OF:	DIRECTOR OF LAW AND GOVERNANCE

REPORT SUMMARY

The report provides for consideration of the recommendations of the Policy and Resources Committee in respect of the 2022/23 Budget Update. The associated Report of the Director of Resources to the Policy and Resources Committee is attached at appendix 1.

RECOMMENDATION/S

The Housing Committee is recommended to:

- 1) note and comment on the 2022/23 draft budget proposals.
- 2) authorise the relevant director with portfolio to take the necessary action to consult on any proposals that require additional consultation and take necessary action to deliver the resulting service changes in consultation with the Chair and Group Spokesperson or reporting to the Housing Committee as the Director considers appropriate.

SUPPORTING INFORMATION

1.0 REASON/S FOR RECOMMENDATION/S

- 1.1 To provide the opportunity for the Policy and Services Committees to provide feedback on the budget proposals for the Policy and Resources Committee to take into consideration in recommending a legal budget to Full Council at its meeting of 28 February 2022.

2.0 OTHER OPTIONS CONSIDERED

- 2.1 Other options have been considered as reported in the Policy and Resources Committee and appended report.

3.0 BACKGROUND INFORMATION

- 3.1 Policy and Resources Committee at its meeting on Monday, 17 January 2021 will receive a report from the Director of Resources providing an updated position on the draft budget for 2022/23 and related statutory consultation. That report and associated appendices are appended to this report.

- 3.2 The budget proposals associated to Housing Committee are detailed within section 3 of this report.

- 3.5 **PROPOSAL:** Cease Financial Contributions for the Provision of Community Alarms and Response Calls

More about this option: It is proposed the council will cease the grant funding contribution to current eligible customers for the community alarm/response services charges. Notice will be given to the providers of this funding being withdrawn in line with current funding regime and agreement notice period. Registered providers will then each undertake their own review of the service provided to see how this would be managed with their residents.

Saving: £200k (22-23) £100k (23/24)

- 3.6 **PROPOSAL:** Reconfiguration of Commissioned Homeless Accommodation

More about this option: The homeless accommodation scheme in its current configuration is not fully meeting the demands being seen coming through the council's housing options system. In partnership with service providers, we will look to reconfigure the service, adjusting parameters, including age restrictions, in order to meet demand and cater for wider client groups. Changes would result in the service having the ability to apply for intensive housing management eligible costs, thereby releasing the expenditure the council currently provides as part of a commissioned service.

Saving: £115k (22/23) £37k (23/24)

3.7 An analysis of the current configuration of the 'Market Wells' supported housing scheme located in Central Birkenhead is attached to this report as Appendix 6. Appendix 6 is exempt from publication in accordance with paragraph 3 of Part 1 of Schedule 12A of the Local Government Act 1972 (being information relating to the financial or business affairs of any particular person, including the authority holding that information).
