

CONSTITUTION OF THE COUNCIL

Part 4 Section 4

RECONSIDERATION AND SCRUTINY PROCEDURE RULES

A. REMOVAL OF DELEGATION FOR RECONSIDERATION (Policy and Resources Committee to re-consider a decision)

1. Overview

As set out in Article 7.3 (Removal of delegation) at Part 2 of this Constitution, a majority of the members of the Policy and Resources Committee may request that a decision taken by one of the other Policy and Service Committees, or of a Key Decision taken by an officer acting under delegated authority from a Committee, is re-considered by the Policy and Resources Committee.

The effect of this process is to remove delegated authority from the Committee or officer in respect of that item of business, so that the decision is nullified, allowing the Policy and Resources Committee to confirm, refer back or make the decision afresh under this procedure.

Due to the costs and delay caused by reconsidering a decision, it is intended that it should only be used in exceptional circumstances. It is therefore subject to safeguards concerning:

- (i) the number of members required to make a valid request;
- (ii) the timescale in which a request must be made; and
- (iii) criteria for acceptable reasons to make a valid request

before the delegated authority is removed and the item of business referred to the next meeting of the Policy and Resources Committee

2. Process

Members of the Policy and Resources Committee may initiate a reconsideration of a decision taken by another Policy and Services Committee, or of a Key Decision taken by an officer acting under delegated authority from one of those committees, by a meeting of the Policy and Resources Committee. This process will not apply to decisions made in the circumstances set out at paragraph 6 below.

A request for a reconsideration of an item of business must be made in writing (which may be by email) to the Monitoring Officer or Chief Executive and be made:

- (i) before the expiry of three full working days from the date on which the decision notice was published;
- (ii) supported or signed by half or more of the appointed (not substitute) members of the Policy and Resources Committee; and
- (iii) setting out why the request meets the criteria for reconsideration.

3. **Criteria**

Such a request must be received by the Monitoring Officer or Chief Executive and must set out at least one of the following grounds in support, explaining why the decision is or might reasonably be felt to be:

- (a) a key decision but not treated as such;
- (b) inadequate consultation with stakeholders prior to the decision;
- (c) inadequate evidence on which to base a decision;
- (d) contrary to the budget or policy framework;
- (e) the action is not proportionate to the desired outcome;
- (f) a potential human rights or equalities challenge; or
- (g) insufficient consideration of legal and financial advice.

4. **Effect**

Where the Monitoring Officer or Chief Executive consider these criteria have been met, delegated authority for that matter shall be withdrawn from the Committee or officer concerned and the decision shall be accordingly nullified and made subject to referral to the next meeting of the Policy and Resources Committee, or if necessary to an extraordinary meeting, for the matter to be considered afresh.

5. **Decision**

Upon re-considering the referred item of business, the Policy and Resources Committee may:

- (a) Uphold the previous decision, following which the original decision shall take effect by 9.30am the next working day following the day of the Policy and Resources Committee meeting which considered the request.
- (b) Refer the matter back to the relevant Committee or officer with a recommendation from the Policy and Resources Committee. The relevant Committee or officer shall reconsider the matter, taking into account any concerns and recommendations of the Policy and Resources Committee, before reaching a final decision. The decision may not be the subject of a further request for reconsideration and will take from the date on which the new decision notice is published.

- (c) Determine the matter itself, whereby the Policy and Resources Committee may determine the matter as it sees fit. The Policy and Resources Committee will set out its reasons for coming to a different conclusion from the originating Committee or officer whose decision has been superseded. The decision may not be further reconsidered and will take effect from the date on which the new decision notice is published.

6. Exclusion from removal of delegation

- (a) A decision making Committee, Sub-Committee or officer may determine that a decision being taken by them is not to be subject to removal of delegation and reconsideration in the circumstances where:
 - (i) in the opinion of the decision-maker, any delay likely to be caused by the process for removal of delegation and reconsideration would seriously prejudice the Council's or the public's interest;
 - (ii) the Chief Executive (or in his or her absence their nominee) agrees both that the decision proposed is reasonable in all the circumstances and that it should be treated in this manner; and
 - (iii) the decision maker causes a record to be made and notice published that the decision is not to be subject to removal of delegation and reconsideration and of the reasons for that determination
- (b) The Chief Executive (or in his or her absence their nominee) may otherwise decline to act on a request made under paragraph 2 above in those circumstances where he or she considers that it would be likely that the implementation of the process for removal of delegation in respect of a decision taken and its then reconsideration by the Policy and Resources Committee would cause serious prejudice to the Council's or the public's interest.
- (c) Application of this exclusion to the removal of delegation and reconsideration procedure must be reported to the next available meeting of the Council, together with the reasons for doing so.

CONSTITUTION OF THE COUNCIL

Part 4 Section 4

RECONSIDERATION AND SCRUTINY PROCEDURE RULES

B. OVERVIEW AND SCRUTINY WAYS OF WORKING

1 Policy and Services Committee Terms of Reference

As set out at Section 3(B) of this Constitution, the overview and scrutiny methods of working and conducting reviews is an important part of the Policy and Services Committees' terms of reference as part of a 'doing and reviewing' approach. In conducting a review, the Committees may hold enquiries and investigate the available options for future direction in policy development and will act in accordance with the procedure rules.

2 Overview and Scrutiny Approach

The Policy and Services Committees are to adopt overview and scrutiny working practices when undertaking their functions to review the Council's actions or to review or otherwise scrutinise outside bodies and processes, In doing so, the Committee shall have regard to the relevant Regulations, statutory and non-statutory guidance issued by the Secretary of State and best practice as issued by the Centre for Governance and Scrutiny (CfGS). This may include adopting innovative ways of working for these functions. In this context, the Policy and Services Committees will operate more like select committees and may take oral evidence through select committee style witness hearings in order to produce a report and recommendations as a result of the review.

3 Internally Focussed Reviews

The Policy and Services Committees may scrutinise and review decisions made or actions taken by the Authority in so far as they have a direct impact on the role or functions of the Committee and the Committee can make recommendations to the relevant Committee on policies, budget and service delivery.

4 Externally Focussed Reviews

The Policy and Services Committees are also responsible for the overview and scrutiny of external organisations. The Committee may therefore undertake reviews and make recommendations on services or activities carried out by external organisations which affect the Borough of Wirral or any of its inhabitants where this does not fall within the role or remit of another service committee or where it relates

to cross cutting issues, including the review and monitoring of contractual and operational performance of shared service partnerships, joint ventures and outside organisations to which the Council makes a resource contribution, focusing on examination of the benefits of the Council's contribution and the extent to which the body concerned makes a contribution to the achievement of the Council's priorities.

5 Review Process

To undertake an overview and scrutiny style review, the Committees may hold inquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

In conducting a review the Committee will act in the manner set out at paragraphs (B)7 below and further consider and implement mechanisms to encourage and enhance community participation in the development of policy options and to investigate, take evidence and consult upon issues within their remit.

6 Review Outcome

The intention of a review is that, upon its conclusion, the Committee or Working Group will produce a report containing recommendations for decision by the Policy and Resources Committee or other Committee (including their or their parent committee), an officer or external governmental or non-governmental body as may be relevant.

7 Conduct of Reviews

7.1 Before starting any overview and scrutiny style review or enquiry, the Committee will consider the resources available to conduct the review and:

- (a) Define the issue(s) it wishes to look at and the Committee's purpose in undertaking the review;
- (b) Indicate the type of background information and any performance or other data the Committee requires;
- (c) Indicate the individuals to be invited to be interviewed as part of their review (e.g., Members, staff, representatives from other organisations, local residents and outside experts. etc);
- (d) Set a realistic timescale including meeting dates if there are to be additional meetings to those in the calendar; and
- (e) Decide whether the review is to be undertaken by the Committee itself or by a Panel (working group) of members of the Committee reporting to the main Committee.

with the intention at all times to maximise the efficiency of the investigation or analysis of the review.

7.2 The terms of reference will be sent to all members of the Committee.
