

APPENDIX C - REVIEW OF POTENTIAL LOCAL SAFETY SCHEMES UP TO DEC 2022

Recommended ranking	Location	Ward	Brief details of officer review or customer request(s) received *2	Number of requests / petition	Number of personal injury collisions (5 year record)	Officers Recommendation		Officers comments	Estimated total costs (approximate) *3	Potential funding source	Potential delivery year (estimated)
						Potential engineering measures	Potential other measures *				
1	Poulton Road, Wallasey - Mill Lane to Wheatland Lane	Seacombe	Identified as part of annual local safety review	numerous requests	26	Speed reduction and pedestrian improvements	Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	This section of Poulton Road is included within area wide 20mph Phase 1. Additional measures required to address collision history.	£140,000	CRSTS CATP grant	2023/24
2	Woodchurch Road between Storeton Road and M53 slip road, Woodchurch	Oxton; Prenton	Identified as part of annual local safety review	numerous requests	16	Enhanced speed enforcement / signage measures	Inform Merseyside Police of request.	Speed camera upgrade / conversion improvements. Provision of speed camera warning signage identified. Further investigation and surveys required.	£120,000	CRSTS CATP grant	2023/24
3	Slatey Road / Grosvenor Road junction, Birkenhead	Claughton; Oxton	Identified as part of annual local safety review	numerous requests	8	Junction improvements		Build outs, refuge and parking restrictions	£40,000	CRSTS CATP grant	2023/24
4	Thurstaston Road / Irby Road, Thurstaston	West Kirby & Thurstaston; Greasby, Frankby & Irby; Pensby & Thingwall	Identified as part of annual local safety review	numerous requests	8	Speed enforcement / signage measures	Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Further investigations with Merseyside Police Safer Roads Unit required.	£20,000	CRSTS CATP grant	2023/24
5	Manor Drive, Upton	Upton	Identified as part of annual local safety review	numerous requests	8	Traffic calming, signage and road marking measures	Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Manor Drive is included within area wide 20mph project. There are 2no. Vehicle activated signs present. Provision of traffic calming measures, signage and road marking improvements to be investigated.	£140,000	CRSTS CATP grant	2023/24 commencement but over two financial years
6	Arrowe Park Road / Woodchurch Road junction, Woodchurch	Pensby & Thingwall; Upton	Identified as part of annual local safety review	numerous requests	6	Traffic signal phasing / capacity improvements		Further investigations required.	£50,000	CRSTS CATP grant	2023/24
7	Kings Road / Kings Lane / Broadway Roundabout, Bebington	Bebington	Request for roundabout and pedestrian improvement measures	Petition	6	Speed reduction and pedestrian improvements	Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Feasibility and outline design required.	£10,000	CRSTS CATP grant	2023/24
8	Spital crossroads	Clatterbridge	Request for junction improvements and pedestrian measures	Petition	5	Junction improvement	VAS speed warning signs	Recommended solution provides improved pedestrian facilities at the junction (puffin crossing signals with re/green man phases) and improvements to traffic islands. Feasibility concluded that any more extensive proposals may not be economically viable and may result in traffic displacing to unsuitable residential roads.	£550,000	CRSTS CATP grant	2023/24 commencement but over two financial years
9	Thingwall Road East / Barnston Road roundabout, Barnston	Pensby & Thingwall	Request to introduce improved road markings on southern arm of roundabout	1	5	Possible lane reduction / reconfiguration		This may have an impact on lane discipline / capacity therefore an experimental scheme is proposed	£15,000	CRSTS CATP grant	2024/25
10	Manor Road, Liscard	Liscard	Request for speed reduction measures	1	5	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Manor Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further traffic calming measures		CRSTS CATP grant	2022/23
11	Prenton Hall Road, Prenton	Prenton	Request for pedestrian crossing	2	5	20mph speed limit	Pedestrian crossing assessment. Roll out of 20mph engagement activities, communications and initiatives.	Prenton Hall Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further traffic calming measures or crossing provision		CRSTS CATP grant	2022/23
12	Saughall Massie Rd/Pump Lane/Heron Road roundabout	Hoylake & Meols; Greasby, Frankby & Irby	Request for speed reduction measures	1	5	Signage & road marking improvements	Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Excessive approach speed and fail to give way collisions.	£6,000	CRSTS CATP grant	2024/25
13	Coronation Drive / New Chester Road, Bromborough	Bromborough	Request for junction improvements	1	4		Phasing timings to be investigated	Phasing not an issue with collisions recorded. Phasing to be adjusted to allow more time to turn right into Coronation Drive. Further investigation required		CRSTS CATP grant	2023/24
14	A5137 Brimstige Road, Heswall	Clatterbridge	Request for speed limit reduction	1	4		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project		CRSTS CATP grant	2024-27
15	B5151 Willaston Road, Irby (stables) between Raby Mere Rd and Wildbarrow Rd.	Clatterbridge	Request for speed limit reduction	1	4		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project		CRSTS CATP grant	2024-27
16	Irby Road, Irby	Greasby, Frankby & Irby; Pensby & Thingwall	Request for speed limit reduction	1	4		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project		CRSTS CATP grant	2024-27

17	Bolton Road East, Port Sunlight	Bromborough	Request for speed reduction measures	3	4	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Bolton Road East is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further traffic calming measures	CRSTS CATP grant	2022/23
18	Boundary Road / Upton Road crossroads, Upton (signals)	Bidston & St James, Cloughton	Request for pedestrian facilities / traffic signal junction upgrade	1	4		On-going monitoring	To be considered as part of traffic signal upgrade programme	CRSTS CATP grant	2024/25
19	Town Meadow Lane, Moreton - Outside Lingham Primary School	Moreton West & Saughall Massie	Request for pedestrian improvements	1	4	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Town Meadow Lane is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further pedestrian improvements.	CRSTS CATP grant	2023/24
20	Storeton Road/Prenton Road West and Prenton Lane, Prenton	Prenton	Request for pedestrian facilities / traffic signal junction upgrade	1	4		On-going monitoring	To be considered as part of traffic signal upgrade programme	CRSTS CATP grant	2024/25
21	Highfield Road, Rock Ferry	Rock Ferry	Request for speed reduction measures	1	3	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Highfield Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further traffic calming measures	CRSTS CATP grant	2022/23
22	Argyle Street South, Birkenhead	Birkenhead & Tranmere	Request for speed reduction and pedestrian improvement measures	1	3	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Area forms part of Birkenhead Framework Regeneration proposals		
23	Bromborough Road, Bromborough	Bromborough; Clatterbridge	Request for speed reduction and pedestrian improvement measures	1	3		Speed limit review. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project	CRSTS CATP grant	2024-27
24	Caldbeck Road, Bromborough -Thursby Road to New Chester Road	Bromborough	Request for a cycle lane	1	3	No action at this time	On-going monitoring. Promotion of free cycle skills training to assist with individual route planning			
25	Mount Road, Prenton	Prenton	Request for vehicle activated sign	1	3	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Mount Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
26	A554 Bayswater Road, Wallasey	Wallasey	Request to upgrade existing pedestrian crossing	1	3	No action at this time	On-going monitoring.			
27	Waterpark Road, Prenton	Prenton	Request for improvements to prevent re routing of traffic	1	3	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Waterpark Road is included within area wide 20mph project. Will investigate signal timings to see if queues can be reduced at peak times.	CRSTS CATP grant	2022/23
28	Holmlands Drive/ Woodchurch Road junction, Oxtou	Oxtou; Prenton	Request for junction improvements	1	3	Woodchurch Road identified for enhanced speed enforcement	Promotion / delivery of Safer Roads Watch Initiative	Woodchurch Road has been identified as a potential upgraded speed enforcement route. MRSP are in agreement with proposals	CRSTS CATP grant	2023/24
29	Cliff Road, Wallasey	Liscard	Request for speed reduction measures	1	2	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Existing 20mph speed limit applies along Cliff Road.		
30	Bridle Road, Eastham	Eastham	Request for speed reduction measures	2	2	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Bridle Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
31	Kings Road, Higher Bebington - From roundabout to Borough Road	Bebington	Request for speed reduction measures	1	2		Speed enforcement. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative			
32	A540 Telegraph Road, Heswall	Heswall; West Kirby & Thurston; Pensby & Thingwall	Request for speed limit reduction	1	2		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project	CRSTS CATP grant	2024-27
33	Liverpool Road, Neston / Thornton Hough	Clatterbridge	Request for speed limit reduction	1	2		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project	CRSTS CATP grant	2024-27
34	Hoole Road, Woodchurch	Upton	Request for speed reduction measures	1	2	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Existing 20mph speed limit applies along Hoole Road.		
35	Everest Road, Tranmere	Prenton	Request for speed reduction measures	1	2	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Everest Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
36	Grange Road, West Kirby - entire length	West Kirby & Thurston	Request for speed reduction measures	1	2	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Not suitable for physical traffic calming measures Low number of collisions		
37	Grange Road, West Kirby - outside shops	West Kirby & Thurston	Request for speed reduction measures	1	2	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Grange Road within district centre is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23

38	Greendale Road, Port Sunlight	Bromborough	Request for speed reduction measures	1	2	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Greendale Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2022/23
39	New Ferry Road, New Ferry	Bromborough	Request for speed reduction and pedestrian improvement measures	1	2	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	New Ferry Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2024/25
40	Pensby Road, Pensby near Fender Way	Pensby & Thingwall	Request for pedestrian improvement measures	1	2	20mph speed limit	Pedestrian crossing assessment. Roll out of 20mph engagement activities, communications and initiatives.	Part of Pensby Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further traffic calming measures or crossing provision		CRSTS CATP grant	2023/24
41	Mill Hill Road, Irby	Greasby, Frankby & Irby	Request for pedestrian improvement measures	1	2		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
42	Bebington Road, Port Sunlight	Bromborough	Request for pedestrian improvement measures	1	2		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
43	Whitfield Lane, Heswall	Pensby & Thingwall; Heswall	Request for speed reduction and parking restrictions	1	2	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Existing 20mph speed limit applies along part of Whitfield Lane.			
44	Palm Grove/Palm Hill / Shrewsbury Road junction, Oxton	Oxton	Request for junction improvements	1	2	Signage & road marking improvements		Further investigations required. Signage & road markings to be reviewed.		CRSTS CATP grant	2023/24
45	Daresbury Road/ Eric Road/Torrington Road, Wallasey	Liscard	Request for speed reduction measures	2	1	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Existing 20mph speed limits apply. Unable to stop up road.			
46	A41 New Chester Road / Marine Drive, Bromborough	Bromborough	Request for pedestrian guard railing	1	1	No action at this time	On-going monitoring				
47	Steel Avenue / Seabank Road, New Brighton	New Brighton	Request for pedestrian improvement measures	1	1		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
48	Arrowe Road / Arrowe Brook Road / Arrowe Brook Lane junction	Greasby, Frankby & Irby	Request for junction improvements	1	1	No action at this time	On-going monitoring	Land ownership issues.			
49	Hoylake Road / Melrose Avenue, Hoylake	Hoylake & Meols	Request for signage improvements	1	1	Provide STOP signage		Junction may not meet STOP sign criteria This will be investigated and improvements made if possible	£2,000		
50	Village Road, Lower Heswall	Heswall	Request for speed reduction measures	Petition	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Village Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2022/23
51	Beaufort Road, Birkenhead	Bidston & St James	Request for speed reduction measures	1	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Beaufort Road is included within area wide 20mph project and subject to Active Travel improvements. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2024/25
52	Elgar Avenue, Eastham	Eastham	Request for speed reduction measures	1	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Elgar Avenue is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2022/23
53	Park Road, Meols	Hoylake & Meols	Request for speed reduction measures	1	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Park Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2023/24
54	Raby Mere Road, Raby Mere	Clatterbridge	Request for speed reduction & signage improvement measures	1	1		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project		CRSTS CATP grant	2024-27
55	West Kirby Road, Saughall Massie	Moreton West & Saughall Massie	Request for one way	1	1	No action at this time	On-going monitoring				
56	Benty Heath Lane, Raby	Clatterbridge	Request for speed limit reduction	1	1		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project		CRSTS CATP grant	2024-27
57	Mount Road, Higher Bebington, Marsh Lane junction	Bebington	Request for pedestrian improvement measures	Petition	1		Pedestrian crossing assessment	No footway south of the junction to provide a puffin or a refuge		CRSTS CATP grant	2023/24
58	Woodchurch Road, Prenton between The Swan P.H. and Aldi	Oxton; Prenton	Request for pedestrian improvement measures	1	1		Pedestrian crossing assessment	Puffin crossing already in place outside ALDI		CRSTS CATP grant	2023/24
59	Spital Rd / Vanderbyl Avenue, Bromborough	Bromborough; Clatterbridge	Request for pedestrian improvement measures	Petition	1		Pedestrian crossing assessment	Site constraints and footway widths or no footway		CRSTS CATP grant	2023/24
60	Brimstage Road, Brimstage near Village Day Nursery	Clatterbridge	Request for pedestrian improvement measures	2	1		Pedestrian crossing assessment / Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative and ongoing education support to Nursery	To be considered as part of future speed limit review project		CRSTS CATP grant	2023/24
61	Arrowe Road Upton, near Rigby Drive	Greasby, Frankby & Irby	Request for pedestrian improvement measures	1	1	No action at this time	On-going monitoring				

62	Bridge Road / Orrysdale Road, West Kirby	West Kirby & Thurston	Request for pedestrian improvement measures	1	1	Signage & road marking improvements		New toucan crossing recently installed nearby		
63	Bridle Road / Heygarth Road, Eastham	Eastham	Request for speed reduction measures	1	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Junction is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		
64	Home Farm Road / Hoole Road, Woodchurch	Upton	Request for pedestrian improvement measures	1	1	No action at this time	On-going monitoring			
65	Bayswater Road, Wallasey	Wallasey	Request for speed reduction measures	Petition	1	No action at this time	On-going monitoring	Fails to meet speed camera criteria		
66	Smugglers Way, Wallasey	Wallasey	Request for speed reduction measures	Petition	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Smugglers Way is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
67	Thurstaston Road / Village Road, Heswall	Heswall	Request for speed reduction measures	Petition	1	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Thurstaston Road & Village Road are included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
68	Mockbeggar Drive, Wallasey	Wallasey	Request for speed reduction measures	Petition	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Mockbeggar Drive is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
69	Frankby Road / Black Horse Hill/Greenbank / Saughall Massie Road Junction, Frankby	West Kirby & Thurston	Request for signalised junction	1	0	No action at this time	On-going monitoring			
70	Teehey Lane jct with Gorseville Road, Bebington	Bebington	Request for junction improvements	numerous requests	0		Review parking restrictions	Junction being assessed for extended waiting restrictions to improve visibility of refuge.	CRSTS CATP grant	2023/24
71	Edgehill Road, Moreton	Moreton West & Saughall Massie	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Edgehill Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
72	Heyville Road, Higher Bebington	Bebington	Request for one way	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Heyville Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
73	Burns Ave, Liscard (Oldershaw School)	Liscard; Wallasey	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Burns Avenue is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
74	The Dell, Rock Ferry	Rock Ferry; Bromborough	Request for speed reduction and parking restriction measures	2	0	20mph speed limit & Parking restrictions	Roll out of 20mph engagement activities, communications and initiatives.	The Dell is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures. Parking restrictions proposed as part of new development.	CRSTS CATP grant	2024/25
75	Acre Lane, Barnston	Heswall	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Acre Lane is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2025/26
76	Longfellow Drive, New Ferry - (Grove St School)	Bromborough	Request for speed reduction measures	School	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Longfellow Drive is included within area wide 20mph project. Traffic calming measures already exist.	CRSTS CATP grant	2022/23
77	Dilton Lane, Moreton	Leasowe & Moreton East	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Dilton Lane is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
78	Carr Lane Moreton, entire length (part of road is 60 mph)	Moreton West & Saughall Massie; Hoylake & Meols	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Majority of road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2023/24
79	Rest Hill Road, Storeton	Bebington	Request for speed limit reduction	1	0		Speed limit review. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	To be considered as part of future speed limit review project	CRSTS CATP grant	
80	Kingsmead Road, Moreton	Leasowe & Moreton East	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Kingsmead Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
81	Alfred Road, Oxton	Birkenhead & Tranmere; Oxton	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Alfred Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
82	Greenleas Road, Wallasey	Wallasey	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Greenleas Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2022/23
83	Yew Tree Close, Woodchurch	Upton	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Yew Tree Close is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures	CRSTS CATP grant	2025/26
84	Border Road, Barnston	Heswall	Request for speed reduction measures	1	0	No action at this time	On-going monitoring. Inform Merseyside Police of request. Promotion / delivery of Safer Roads Watch Initiative	Existing 20mph speed limit applies		

85	Croft Avenue, Bromborough	Bromborough	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Croft Avenue is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2022/23
86	Rolleston Drive, Liscard	Wallasey	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Rolleston Drive is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2022/23
87	Ryland Park, Thingwall	Pensby & Thingwall	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Ryland Park is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2025/26
88	Deveraux Drive, Poulton	Seacombe	Request for speed reduction measures	1	0	20mph speed limit	Roll out of 20mph engagement activities, communications and initiatives.	Deveraux Drive is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2023/24
89	Mount Road, Higher Bebington, Bracken Lane / Red Hill Road Jct	Bebington	Request for pedestrian improvement measures	Petition	0		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
90	Toilemache Road / Upton Road signals, Upton (Crossroads)	Cloughton	Request for junction improvements	1	0		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
91	Barnston Road, Barnston outside the Basset Hound P.H.	Pensby & Thingwall	Request for pedestrian improvement measures	Numerous	0		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
92	Thurstaston Road, Irby, by Library and Anchor Inn	Greasby, Frankby & Irby	Request for pedestrian improvement measures	2	0		Pedestrian crossing assessment			CRSTS CATP grant	2023/24
93	Banks Road, West Kirby between Alexandra Road and Albert Road	West Kirby & Thurstaston	Request for pedestrian improvement measures	1	0	20mph speed limit	Pedestrian crossing assessment. Roll out of 20mph engagement activities, communications and initiatives.	Banks Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2023/24
94	Banks Road / Ashton Drive, West Kirby	Hoylake & Meols	Request for pedestrian improvement measures	1	0	20mph speed limit	Pedestrian crossing assessment. Roll out of 20mph engagement activities, communications and initiatives.	Banks Road is included within area wide 20mph project. Monitor effectiveness of 20 mph speed limit on collisions before considering any further measures		CRSTS CATP grant	2023/24
95	Saughall Massie Road, Saughall Massie between West Kirby Road and Girtrell Road	Moreton West & Saughall Massie	Request for pedestrian improvement measures	1	0	No action at this time	On-going monitoring	Toucan crossing located at Kingfisher Way			
96	Thurstaston Road, Irby outside school crossing patrol near Sandy Lane	Greasby, Frankby & Irby	Request for pedestrian improvement measures	1	0	Signage & road marking improvements		To support existing school crossing patrol	£1,000	CRSTS CATP grant	2023/24

*2 - Statutory review of collision data conducted in 2022/23 or location reported by residents or Members up to and including December 2022

*3 - approximate indicative project delivery estimate, inclusive of construction works where recommended and all associated costs. Any approved scheme will require re-estimation as design proceeds.

*Proposed Other Measures: Liverpool City Region Road Safety Strategy & Road Safety Working Group recommendations inform the development / delivery of Wirral Road Safety Plan borough wide as a blanket approach
