REPORT OF:	DIRECTOR OF LAW AND GOVERNANCE

REPORT SUMMARY

The purpose of this report is to enable the Adult Social Care and Public Health Committee to review the continuing need for various panels, statutory / advisory committees and working parties, and to appoint members and named deputies to serve on those (including the statutory committees and panels) that are to be retained in 2023/2024, as well as appoint a Member Champion for Domestic Abuse.

The report contributes to the Active and Healthy Lives Wirral Plan 2021-2026 Priority.

The report affects wards. It is not a key decision.

RECOMMENDATION/S

The Adult Social Care and Public Health Committee is recommended to:

- (1) authorise the Monitoring Officer as proper officer to carry out the wishes of the Group Leaders in allocating Members to membership of the Statutory and Advisory Committees, Sub-Committees and Panels detailed within the report and to appoint those Members with effect from the date at which the proper officer is advised of the names of such Members.
- (2) appoint a Member Champion for Domestic Abuse.

SUPPORTING INFORMATION

1.0 REASON/S FOR RECOMMENDATION/S

- 1.1 Policy and Services Committees are required to appoint the membership of various panels, statutory / advisory committees and sub-committees, which fall under their remit at the start of each Municipal Year.
- 1.2 The role of a Member Champion is to become a focus for the Council and Committee, partners, stakeholders and communities in order to:
 - i. Raise the profile of that highlighted area of the Council and Committee's functions, and in conjunction with the relevant Member(s), officers and partner(s), support community engagement activities and other related publicity campaigns;
 - ii. Liaise with members, public sector partners and other stakeholders to promote key initiatives (as appropriate and required);
 - iii. Act as an advocate for that highlighted area of the Council and Committee's functions and be required to familiarise themselves with related matters.
 - iv. Seek out and share best practice from other areas of the UK;
 - v. Periodically present reports to the members of their Committee or other committees (as necessary and requested) setting out the actions taken and how those actions have contributed to the success and promotion of that highlighted area of the Council and Committee's functions;
 - vi. Present, as appropriate, research papers and suggest new initiatives and ideas relating to highlighted area of the Council and Committee's functions for consideration by the Committee(s) or Council.
- 1.3 Appointment to the Joint Strategic Commissioning Board Sub-Committee enables it to exercise delegated authority on behalf of the Council in respect of pooled funding arrangements with the NHS.
- 1.4 Appointment to Joint Health Scrutiny Committee arrangements ensures that Wirral Council is able to engage in effective Overview and Scrutiny of the Integrated Care System at a Cheshire and Merseyside Level.

2.0 OTHER OPTIONS CONSIDERED

- 2.1 The option of not appointing to the Discharge from Guardianship by Wirral Council under the Mental Health Act 1983 Panel would result in the Council not fulfilling its statutory duties.
- 2.2 The Joint Strategic Commissioning Board Sub-Committee could consist of a different number of Members on a politically proportionate balance.

3.0 BACKGROUND INFORMATION

The Discharge from Guardianship by Wirral Council under the Mental Health Act 1983 Panel

- 3.1 The Discharge from Guardianship by Wirral Council under the Mental Health Act 1983 Panel was retained during 2022/2023 with full delegated authority.
- 3.2 The Committee is asked to appoint three or more members and named deputies from the Adult Social Care and Public Health Committee, as necessary, to serve on the Discharge from Guardianship by Wirral Council under the Mental Health Act 1983 Panel for the 2023/24 municipal year.

Appointment of Members to the Joint Strategic Commissioning Board Sub-Committee

- 3.3 A Sub-Committee of three (3) or more members of the Adult Social Care and Public Health Committee, subject to political balance, to sit in common or jointly with representatives of the National Health Service and to exercise delegated authority on behalf of the Council in respect of:
- (a) pooled funding arrangements with the NHS or other governmental bodies;
 - (b) the place based health and care arrangements as may be provided for by legislation; and
 - (c) such other commissioning, strategic design quality and performance of health and care services across the Borough of Wirral, including the outcomes and quality of those services, within the terms of reference of the Adult Social Care and Public Health Committee, that the Committee may from time to time determine shall be the responsibility of the Sub-Committee.

Appointment of Member Champion for Domestic Abuse

- 3.6 Member Champions associated with the pledges of the Wirral Plan were created in 2015 to support Cabinet Portfolio holders and were brought to an end in 2019.
- 3.7 Champions for three specific areas, prompted by the involvement of outside agencies and requests, have existed for several years in respect of an Armed Forces Champion, Heritage Champion and the Domestic Abuse Champion.
- 3.8 With the introduction of the committee system, some roles will automatically continue or be subsumed into the chairing role, such as the Armed Forces Champion being the Mayor and the Risk Champion being the Chair of Audit and Risk Management Committee.
- 3.9 The Adult Social Care and Public Health Committee is asked to appoint a Member Champion for Domestic Abuse.

Cheshire and Merseyside Integrated Care Services Joint Health Scrutiny Committee

- 3.10 In response to the establishment of Integrated Care Systems in England under the Health and Care Act 2022, a standing Joint Health Scrutiny Committee was established across Cheshire and Merseyside, hosted by Knowsley Council, to ensure that effective Overview and Scrutiny could take place as the Integrated Care System was established.
- 3.11 The standing Joint Health Scrutiny Committee was for an initial 18-month period, but Chief Executives across Cheshire and Merseyside have agreed to its continuation for a further 12 months. Therefore, the Committee is asked to agree to continue to appoint two members to it, on a politically proportionate basis aggregated across Cheshire and Merseyside. For Wirral, this is 1 Labour and 1 Conservative.

Joint Health Scrutiny Arrangements

- 3.12 The Health and Social Care Act 2012 and the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 came into effect on 1 April 2013 revising existing legislation regarding health scrutiny.
- 3.13 Ultimately the regulations place a requirement on relevant scrutiny authorities to reach a view on whether they are satisfied that any proposal that is deemed to be a substantial development or variation is in the interests of the health service in that area, or instead, that the proposal should be referred to the Secretary of State for Health. Where such proposals impact on more than one local authority area, each authority's health scrutiny arrangements must consider whether the proposals constitute a substantial development or variation or not. The regulations place a requirement on those local authorities that agree that a proposal is substantial to establish, in each instance, a joint overview and scrutiny committee for the purposes of considering it. As a result a protocol has been established to deal with the proposed operation of such arrangements for the local authorities of Cheshire and Merseyside and is attached at Appendix 1 to the report.
- 3.14 The procedure for appointing members and declaring changes as 'substantial' are detailed within the protocol at Appendix 2.
- 3.15 Political Group Leaders are asked to appoint three members to the Joint Health Scrutiny Committee, politically balanced to accord with Wirral Council's proportionality. However, there is a requirement for the joint committee itself to be politically balanced, therefore depending on which other authorities are part of the Joint Committee, the members Wirral need to appoint may not accord with the political balance of the Council. Under these circumstances, Political Group Leaders would be asked to re-appoint based on the required political makeup of the Joint Committee.

4.0 FINANCIAL IMPLICATIONS

- 4.1 No allowance or other remuneration shall be paid to Member Champions for

performing the role.

- 4.2 Whilst expenses may be met for engagements with outside bodies or public occasions as approved by the relevant lead officer or the Committee, there are no direct financial implications to as a result of these recommendation.
- 4.3 Appointment to the Joint Scrutiny Committee does not include entitlement to a Special Responsibility Allowance but travel and subsistence is covered by the Members' Allowances Scheme.
- 4.4 The continuation of a standing Cheshire and Merseyside ICS Joint Health Scrutiny Committee requires a contribution towards the temporary appointment of a Scrutiny Manager. This was approximately £10,000 per authority for the initial 18-month period.

5.0 LEGAL IMPLICATIONS

- 5.1 Under Section 23 of the Mental Health Act 1983 as amended an order for discharge can be made in respect of a patient who is subject to guardianship by the responsible clinician, by the Local Social Services Authority or by the nearest relative of the patient. Should an individual who is subject to Guardianship request that the Local Social Services Authority exercise its power to discharge a Guardianship Order this function must be exercised by three or more Members of the authority.
- 5.2 There is a requirement under the Council's Constitution to appoint a Member Champion for Domestic Abuse.
- 5.3 The Health and Care Act 2022 sets out the requirement for joint arrangements between the Local Authority and the Integrated Care Board.
- 5.4 Under The Health and Social Care Act 2012 and the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 local authorities are required to establish a joint scrutiny committee for the purpose of considering consultations by a relevant NHS body or provider of NHS funded Services where such proposals impact on more than one local authority area and where more than one authority agrees that the proposal is a substantial development or variation to the health service in that area.

- 6.1 There are none arising directly from this report.

7.0 RELEVANT RISKS

- 7.1 There is a risk that if the Council does not appoint to its statutory bodies, it will not fulfil the statutory duties requires of that body.
- 7.2 All relevant risks have been considered and the below working arrangements approved by Council;

- i. Member Champions will liaise as required with the relevant officer lead and the Committee Chair and Spokespersons in relation to their role and activities.
- ii. The Member Champion will follow all appropriate and applicable Council working protocols for engaging with officers, stakeholders, and the public.
- iii. The Member Champions shall not do anything that is contrary to or inconsistent with any decision or approach taken by the Committee(s) or the Council.
