

**Information**

**Project Title: Wirral Parks & Countryside Clea**

**Project Reference: DN7**

Tenderers shall Insert their pricing for each element in the Tabs "Locations & Hourly Rate "

The Council requires Tenderers to provide a price each for each component, as described withi

Tenderers should provide a breakdown of all associated costs in relation to this project. (This is based on  
the Tenderers understanding of the project and ensure there are no hidden costs.

Tenderers may only enter pricing in green cells. The value in the yellow cell will be used for c

Pricing is weighted at 60 %

Tenderers must sign where indicated to clearly show their understanding of the agreement

The Tenderer with the lowest cost will be awarded the full (maximum) available marks.

Remaining bids will be evaluated using the formula:-  $(\text{Lowest bid price} \div \text{Other bid price}) \times X$

All rates given as part of this tender exercise should be exclusive of VAT, but inclusive of all a

The Council will not accept any further costs outside of the ones given within this pricing sch
