

## **Environment, Climate Emergency and Transport Committee – Terms of Reference**

The Environment, Climate Emergency and Transport Committee has responsibility for parks and open spaces, highways management and infrastructure, coastal protection and flood defence and environment and waste matters. It is the Committee that leads on behalf of the Council in responding to and matters concerning the Climate Emergency. The Committee is also responsible for the overview and scrutiny of flood risk management and coastal erosion management functions.

The Committee is charged by full Council to undertake responsibility for the Council's role and functions:-

- (a) in co-ordinating the response to cross-cutting sustainability issues such as reducing carbon emissions, air quality issues, climate change response, improving resource efficiency and developing sustainable energy;
- (b) in relation to all highways matters and as highway authority, street authority, bridge authority, including but not limited to public open spaces, street furniture on the highway and open spaces or parts of open spaces immediately adjacent to the highway;
- (c) in relation to traffic management and transport and as traffic authority, including but not limited to public passenger transport and the co-ordination of transport for service users, traffic orders and rights of way issues;
- (d) in relation to parking, including on and off-street parking and civil parking enforcement;
- (e) in respect of parks, open spaces, countryside management, allotments, playgrounds and cemeteries, including arboricultural, gardening and warden services;
- (f) in relation to the management of authorised and unauthorised sites and encampments, this to include all activities necessary or incidental to the Council's performance of its responsibilities in relation to Gypsies, Roma and Travellers;
- (g) in relation to waste and as waste collection authority, litter authority, including but not limited to dealing with litter, street cleansing, abandoned vehicles and dog fouling, and the Council's relationship with Merseyside Recycling & Waste Authority (MRWA) as the joint waste disposal authority;
- (h) as coast protection authority and lead local flood authority;
- (i) in respect of emergency planning and community resilience (infrastructure and contract services);
- (j) providing a view of performance, budget monitoring and risk management in relation to the Committee's functions; and
- (k) undertaking the development and implementation of policy in relation to the Committee's functions, incorporating the assessment of outcomes, review of effectiveness and formulation of recommendations to the Council, partners and other bodies, which shall include any decision relating to the above functions.
- (l) in respect of Section 9JB of the Local Government Act 2000, the functions to review and scrutinise the exercise by risk management authorities of flood risk management and of coastal erosion management functions which may affect the local authority's area.
