REPORT TITLE:	COUNCIL PLAN PERFORMANCE REPORT QUARTER 1 2024-25
REPORT OF:	DIRECTOR OF LAW AND CORPORATE SERVICES

REPORT SUMMARY

This report provides a quarterly performance report in relation to the Council Plan: Wirral Working Together 2023-27.

Following the approval of the Council Plan a performance management framework was developed through working group activity with members from all Policy Committees and Planning and Resources Committee between February and April 2024. A reporting approach was approved providing quarterly reporting on the measures identified in the framework. The Policy and Resources Committee will receive a full report on all six themes of the plan and each Policy Committee will receive a report related to their key theme. The reporting provides the most recent performance for the measures and includes performance context and mitigations in place where underperformance is identified.

Monitoring the performance of Council Plan delivery supports implementation of all themes of the Council Plan: Wirral Working Together 2023-27.

This matter affects all Wards within the Borough.

This is not a key decision.
