REPORT TITLE:	CWP QUALITY ACCOUNT 2023/4
REPORT OF:	DIRECTOR OF NURSING, THERAPIES AND PATIENT PARTNERSHIPS CHESHIRE AND WIRRAL PARTNERSHIP NHS FOUNDATION TRUST

REPORT SUMMARY

Cheshire and Wirral Partnership NHS Foundation Trust (CWP)'s Quality Account is an annual report on the quality of services we provide. We would like to share what we have achieved during 2023/4, to improve the quality of care and treatment we deliver and our ambitions for the coming year.

This matter affects all wards. It is not a key decision.

RECOMMENDATION/S

The Adult Social Care and Public Health Committee is recommended to receive the report in public, scrutinise and give comments on the Trust's Quality Account.

1.0 REASON/S FOR RECOMMENDATION/S

- 1.1 Cheshire and Wirral Partnership NHS Foundation Trust is determined to work in partnership to deliver the best outcomes and patient experience for the population it serves.

2.0 OTHER OPTIONS CONSIDERED

- 2.1 Due to the timing of the General Election in 2024, the draft Quality Account was circulated virtually for comment during the summer, but Chair and Spokespersons felt this report should formally be noted by the committee in public. A copy of the comments by members and CWP responses are attached as an appendix.

3.0 BACKGROUND INFORMATION

- 3.1 A Quality Account is a report about the quality of services offered by an NHS healthcare provider. The reports are published annually by each provider, including the independent sector, and are available to the public.
- 3.2 Quality Accounts are an important way for local NHS services to report on quality and demonstrate improvements in the services they deliver to local communities and stakeholders. The quality of the services is measured by looking at patient safety, the effectiveness of treatments patients receive, and patient feedback about the care provided.
- 3.3 The Department of Health and Social Care requires providers to submit their final Quality Account to the Secretary of State by uploading it to the NHS website each year. The requirement is set out in the Health Act 2009. Amendments were made in 2012, such as the inclusion of quality indicators according to the Health and Social Care Act 2012.

4.0 FINANCIAL IMPLICATIONS

- 4.1 There are no financial implications directly arising from this report.
