Trustees' Report

Objectives and Activities

The main purpose of this charity is to further local charitable objectives identified by the current Mayor. Throughout the year the charity runs fundraising events such as a Charity Ball and a Tea dance, receives donation collections and entries for the Mayor's lottery.

The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities and choosing the local charities to support during the year.

The Mayor's Charity furthers its charitable purposes for the public benefit through its donations to local charitable causes.

At the end of the charity's financial year (14 May), funds raised are donated to local charitable causes identified by the Trustees.

In the year 2023/24, the Mayor's charity used funds brought forward from the previous year to donate to:

- British Divers Marine Life Rescue;
- Incubabies;
- Leasowe Boxing Club;
- Maggies;
- Port Sunlight Orchestra;
- Prostate Cancer;
- Rek 41;
- RNLi Hoylake, New Brighton & West Kirby;
- St John's Hospice;
- Charles Thompson Mission;
- The Hive;
- The Journeymen;
- The Stroke Association;
- Ukraine Appeal.

Achievements and Performance

During 2023/24 the Mayor's Charity donated a total of £40,491 (£24,000 in 2022/23) to local charitable causes.

During 2023/24 the charity organised 2 major events, and was a beneficiary from another:

- Charity Ball
- Tea Dance
- Santa Dash

The Charity Ball fundraising event is held at Thornton Hall Hotel and members of the public can purchase tickets for a dinner and dance event and enjoy an evening of food

and entertainment, as well as the chance to win raffle prizes. The Mayor's Charity Ball 2023 raised £5,550 (£5,807 in 2022/23).

The Christmas Tea Dance at Wallasey Town Hall raised £1,420.

The Santa Dash donated £321.

Additional funds have been raised during 2023/24 by donations from the public and the Mayor's Lottery, with £11,015 to be carried forward to 2024/25.

Financial Review

The main purpose of this charity is to raise funds to donate to local charitable causes. Ordinarily, this occurs in a yearlong cycle; the Mayor takes office, raises funds through events and lotteries and the charity donates the raised funds at the end of their term. The new Mayor is appointed, and the cycle begins again.

The Trustees have decided that holding reserves is unnecessary for this charity. The setup of the charity and the fact that a new Mayor is ordinarily appointed every year means that holding reserves would be unsuitable for this charity.

Structure, Governance and Management

The Mayor's Charity is a registered charity and is governed by a Trust Deed dated 2022, which replaced a Trust Deed dated 1 April 1986. Its purpose is to raise monies for the furtherance of local charitable causes.

The new charitable Trust Deed dated 2022 appoints one ex-officio Trustee, Wirral Council. The Trustee may appoint an additional Nominative Trustee by resolution.

Responsibilities and basis of report

As the Charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Accounts

Accounts is a term used in the Statement of Recommended Practice (SORP) for Charities to refer to the statement of financial activities (SoFA), income and expenditure account (where produced or required by company law), balance sheet and statement of cash flows and notes.

Accruals accounts

Accruals accounts record the income and expenditure of the charity and the increase or reduction in its assets and liabilities. All income and charges relating to the reporting period to which the accounts relate must be considered without regard to the date of payment or receipt. Accruals accounts are compiled on a 'true and fair' basis in accordance with accounting standards and the SORP.

Asset

Asset is a resource controlled by the charity because of past events and from which future economic benefits are expected to enable the charity to further its charitable aims.

Audit

Audit when referred to in the SORP is the statutory requirement under charity law for an audit of the charity or the group where the charity's or group's gross income and/or assets exceed the relevant threshold. The audit threshold is set by charity law based on the income received in the reporting period and the total assets held at the end of the year.

Balance sheet

Balance sheet (also known as a statement of financial position) is a statement of the assets, liabilities, and funds of the charity (the funds of the charity may also be known as the residual interest) at the end of the reporting period (financial year).

Donated services and facilities

Donated services and facilities include gifts of facilities or services including the contribution of volunteers. Donated services and facilities can also be referred to as intangible income.

Donations

Donations comprise gifts that will not provide any economic return to the donor other than the knowledge that someone will benefit from the donation. Income from donations includes gifts that must be spent on some particular area of work (i.e., restricted income funds) or given to be held as endowment funds. Donations will normally include gifts in kind and donated services.

Economic benefits

Economic benefits refer to the value derived from an asset in terms of cash flows generated, its cash flow generating capacity, or the service potential created, or costs saved or avoided by having control over the asset.

Fundraising costs

Fundraising costs consist of three categories:

- costs of generating donations;
- fundraising trading costs, which are the costs of trading to raise funds and include the cost of goods sold;
- any other costs associated with a trading operation.

Liability

Liability is an accounting term for a present obligation of the entity arising from past events, the settlement of which is expected to result in an outflow of economic resources from the entity.

Recognition

Recognition is the process of incorporating in the accounts (financial statements) an item that meets the definition of an 'element', and which satisfies the following criteria:

- It is probable that any future economic benefit associated with the item will flow to or from the entity.
- The item has a cost or value that can be measured with reliability.

Statement of financial activities

Statement of financial activities (SoFA), equivalent to a statement of comprehensive income, shows the income, the expenditure, gains and losses, and transfers between funds during the reporting period (the financial year). The statement reconciles total funds brought forward and total funds carried forward at the end of the financial year.
