**3. COMPREHENSIVE SPENDING REVIEW**

3.1. The Comprehensive Spending Review (CSR) 2007, was announced on 9 October 2007. An initial report on the Pre Budget Statement by the Chancellor of the Exchequer including the CSR was presented to the Cabinet on 1 November 2007. The Department for Communities and Local Government (DCLG) announced the three year provisional Local Government Finance settlement on 6 December 2007 and the final settlement on 24 January 2008.

3.2. The provisional Local Government Finance Settlement for 2009-10 was issued by the DCLG on 26 November 2008. The provisional settlement restated the indicative figures included in the settlement issued on 24 January 2008 and was reported to Cabinet on 10 December 2008.

3.3. The final settlement was issued on 21 January 2009 which again confirmed the indicative figures for 2010-11. However, as the global recession gathers pace there must be concern about whether the Government will be able to deliver the indicative settlement for 2010-11.

- 3.4. The next Comprehensive Spending Review is scheduled for 2010 which will outline the Government expenditure plans for 2011 to 2014. The extent of the support that the Government will need to provide to the economy in a global recession could result in a cash freeze in Government grants for the period of the next CSR.
