- 1.2 The Planning Sub Committee was established by Planning Committee on 18th July 2019 to make recommendations, in consultation with the relevant Overview and Scrutiny Committee, to the Cabinet on the policies that will be included in the Local Plan for the Borough.
- 1.3 A series of meetings have been scheduled to consider working draft policies for the emerging Local Plan.
- 1.4 The purpose of this meeting is for Members to consider the contents of the initial working draft policies for environmental protection that would include criteria for dealing with coastal defence, flood risk, drainage, pollution, contamination and waste, which are enclosed in Appendix 1.

RECOMMENDATION

1. That Planning Sub Committee considers the content of the initial working draft policies for Coastal Protection, Flood Risk, Sustainable Drainage & Natural Water Management, Pollution & Risk, Contamination & Instability and Waste Management set out in Appendix 1, and decide if there are matters that should be given further consideration by officers before reports for Cabinet are finalised.

SUPPORTING INFORMATION

2.0 REASON/S FOR RECOMMENDATION/S

2.1 To assist in the preparation of the Local Plan.

4.0 BACKGROUND INFORMATION

4.1 The Council is currently preparing its Local Plan for submission to the Secretary of State in November 2020. A key aspect of this work is the review and development of Development Management (DM) policies, which upon the adoption, will be used to determine planning applications.

4.2 There are a number of tasks, which include:

- 1 Reviewing existing DM policies.
- 2 Revising these policies to ensure that they are up to date and take account of current and emerging agendas, for example, climate change.
- 3 Writing new policies to ensure that the Council is able to effectively manage development in the Borough.
- 4 Regularly review policies to ensure they remain relevant, up to date and represent best practice.

4.3 These tasks are urgent and need to be completed within the timescales set out for the submission of the Local Plan as the council is still under threat of intervention by Government if it does not meet the timescales.

5.0 FINANCIAL IMPLICATIONS

5.1 There are no financial implications from this report.

6.0 LEGAL IMPLICATIONS

6.1 Local plans must be positively prepared, justified, effective and based on up to date relevant evidence about the economic, social, environmental characteristics and prospects for the area consistent with national policy in accordance with the Planning and Compulsory Purchase Act 2004 (as amended). The emerging Local Plan cannot be formally adopted as part of the statutory Development Plan unless it is found to be legally compliant and sound following independent examination.

6.2 Approval of the final Draft Local Plan will require a resolution of Council before it can be published and submitted to the Secretary of State for public examination.

7.0 RESOURCE IMPLICATIONS: ICT, STAFFING AND ASSETS

7.1 This sub-committee will be supported by the Council's existing planning staff.

8.0 RELEVANT RISKS

8.1 If the work set out in this report is delayed, the Council may not be able to meet its timetable for submission of the Local Plan, which could result in Government intervention.
