10 CODE OF CORPORATE GOVERNANCE 2022

The Head of Legal Services introduced her report which detailed the revised Code of Corporate Governance for approval, which was last reviewed in 2018. The Code communicated the Council's decision making processes and the principles underlining them, and had been updated following the move from Cabinet to Committee-based decision making.

Resolved: That

(1) the revised Code of Corporate Governance at Appendix 1 to the report be approved; and

(2) Constitution and Standards Committee be recommend full Council to adopt the revised Code of Corporate Governance and the framework detailed therein as part of the Council's Constitution.
