REPORT TITLE:	CWP DRAFT QUALITY ACCOUNT 2022/23
REPORT OF:	DIRECTOR OF OPERATIONS/DEPUTY CHIEF EXECUTIVE CHESHIRE AND WIRRAL PARTNERSHIP NHS FOUNDATION TRUST

REPORT SUMMARY

Cheshire and Wirral Partnership (CWP)'s Quality Account is an annual report to the people we serve about the quality of services we provide. We would like to share what we have achieved over the past year, to improve the quality of care and treatment we deliver and our ambitions for the coming year.

Any comments made by the Committee will be incorporated (as previous years) within an additional annex "Comments on CWP Quality Account" - as per NHS England and NHS Improvement recommendations to allow scrutiny and comment and will be published in the final document, due to go live on 30th June 2023.

This matter affects all wards. It is not a key decision.

3.0 BACKGROUND INFORMATION

- 3.1 A Quality Account is a report about the quality of services offered by an NHS healthcare provider. The reports are published annually by each provider, including the independent sector, and are available to the public.
- 3.2 Quality Accounts are an important way for local NHS services to report on quality and show improvements in the services they deliver to local communities and stakeholders. The quality of the services is measured by looking at patient safety, the effectiveness of treatments patients receive, and patient feedback about the care provided.
- 3.3 The Department of Health and Social Care requires providers to submit their final Quality Account to the Secretary of State by uploading it to the NHS website each year. The requirement is set out in the Health Act 2009. Amendments were made in 2012, such as the inclusion of quality indicators according to the Health and Social Care Act 2012.
